TELECOMMUNICATIONS

IN THE MATTER OF THE BOARD'S REVIEW OF UNBUNDLED NETWORK ELEMENTS, RATES, TERMS AND CONDITIONS OF VERIZON NEW JERSEY INC.	)	ORDER DOCKET NO. TO00060356

(SERVICE LIST ATTACHED)

BY THE BOARD:

The Board of Public Utilities ("Board") issued an Order on May 7, 2004, regarding the cost of capital and depreciation inputs used in calculating the rates for unbundled network elements ("UNEs") that Verizon New Jersey Inc. ("Verizon"), formerly known as Bell Atlantic-New Jersey Inc., provides to Competitive Local Exchange Carriers ("CLECs"). On May 25, 2004, both Verizon and AT&T Communications of N.J., L.P. (AT&T) filed with the Board Motions for Reconsideration of the Board's Order. Replies to the Motions were filed by Verizon, AT&T, the Ratepayer Advocate and MCI.

The Board, through this Order, is extending the time to act on the above cited Motions beyond the timeframe set forth in N.J.A.C. 14:1-8.7 (c) which provides that unless the Board acts upon such Motions within 60 days, they are deemed denied. By this action, the Board is not ruling on the merits of the Motions, but is establishing an extended time frame to rule upon the Motions currently pending before the agency.

The Board **HEREBY ORDERS** that the time to rule upon the Verizon and AT&T Motions for Reconsideration of the Board's May 7, 2004 Order be extended until such time as the Board has had an opportunity to fully review the Motions before it and the replies thereto.
