

## Resource List of Health and Social Service Agencies

The following is a list of private health and social service agencies that you may find helpful. The resource list is organized by agency type: General Services, Mental Health and Behavioral Health, Assisted Living, Charities, Services for Children and Youth, and Health Services. For each agency you will find the organization's phone number and the link to the agency website.

**General Services:** Organizations that cover a wide variety of health and social services:
