MEDICAID COMMUNICATION NO. 16- 08

DATE: September 29, 2016

TO: County Welfare Agencies
Institutional Services Section offices
Eligibility Determination Agencies

SUBJECT: Compliance with the National Voter Registration Act –
Replaces Medicaid Communication 14-03

I. Purpose

The purpose of this Medicaid Communication is to provide updated information regarding continued implementation of the National Voter Registration Act of 1993 (NVRA), reinforce the importance of providing all NJ FamilyCare (Medicaid and CHIP) applicants/recipients with an opportunity to register to vote, and review procedures for tracking compliance. The NVRA states that "all offices in the State that provide public assistance" are designated as voter registration agencies.¹ Under this law, county welfare agencies (CWA), municipal welfare agencies (MWA), DMAHS's Institutional Services Section (ISS), and any eligibility determination agency (EDA) must offer the opportunity to register to vote to those individuals who present to the agency to: (1) Apply for benefits; (2) Complete a redetermination; (3) Report a change of address; or (4) Register to vote only. Each individual shall also be informed that his/her decision whether to register to vote, or not to register, will not affect the public assistance application.

II. Staffing Structure

The DMAHS and the DMAHS NVRA Liaison are responsible for: (1) Familiarity with voter registration requirements, procedures and materials; (2) Coordinating and overseeing local office compliance with the voter registration agency requirements of the NVRA, including training, supplies, procedures, oversight, reporting and identifying and assisting with solving problems; (3) Maintaining a current list of

¹ Pursuant to Section 26 of P.L.1994, c.182 (C.19:31-6.11) 26(a) "voter registration agency" means: Any agency or office providing or administering assistance under the "New Jersey Medical Assistance and Health Services Program."

agency NVRA Liaisons; (4) Tracking compliance data and monitoring as needed; (5) Serving as a liaison with the New Jersey Division of Elections (DOE) regarding NVRA compliance of local public assistance agencies; and (6) Providing agency liaisons with a complete list of known voter registration deadlines for Federal and State elections for the coming year, as provided by the Division of Elections, by December 20th of each year and supplemental lists of additional registration deadlines for federal elections if necessary.

Jana Lang is the DMAHS NVRA Liaison and can be reached by email at Jana.Lang@dhs.state.nj.us, by telephone at 609-588-2897, 609-588-2556 (general number), or by fax at 609-588-3806.

III. Agency NVRA Liaison Operational Procedures

Attached to this Medicaid Communication is a list of current agency NVRA Liaisons. Agency NVRA Liaisons have the following responsibilities:

1. Submit name of agency NVRA Liaison to the DMAHS NVRA Liaison whenever a new liaison is appointed;
2. Serve as the agency's liaison with the DMAHS NVRA Liaison and the DOE regarding NVRA issues (if this position becomes vacant a new liaison must be appointed within 30 days);
3. Read and understand all NVRA requirements;
4. Coordination and implementation of NVRA requirements;
5. Respond to questions from staff and from the public;
6. Ensure that all staff receive training in NVRA requirements and procedures;
7. Maintain a central file, by quarter, of all completed NVRA-related documentation. All NVRA records must be maintained in the central file for three years from the time they were completed;
8. Provide and maintain an adequate supply of Voter Registration Applications (#33) and Voter Registration Opportunity forms for each covered transaction and keep extra on hand for those who only want to register to vote. These can be ordered from the Division of Elections.
9. Collect the completed Voter Registration Application forms from the appropriate units and mail them to DOE or County Election office on a weekly basis (Note: from the 26th day prior to an election to the 21st day prior to an election, the forms must be collected and transmitted within 5 days);
10. Record weekly statistics on the Voter Registration Opportunity Response document (form NVRA-2) and report them quarterly to the DMAHS NVRA Liaison.
11. Be aware of the voter registration deadlines in Federal, state, and local elections. Deadlines can be tracked at <http://www.state.nj.us/state/elections/election-information-archive.html> or by contacting the DOE;
12. Ensure that signs are posted in the agency in prominent locations advising individuals of their right to register to vote at that site.

IV. Eligibility Worker Responsibilities

A. Opportunity to Vote: Any individual who presents to the agency for an application for benefits, a redetermination, an address change, or to register to vote only shall be offered an opportunity to register to vote, and be informed that his/her decision whether to register to vote, or not to register, will not affect the public assistance application or grant amount.

B. Assistance with Voter Forms: Agency workers are required to offer to assist applicants with a Voter Registration Application to the same extent they would assist applicants filling out NJ FamilyCare applications. Assistance shall include examination of all completed Voter Registration Applications to determine whether all required information has been provided and that the form has been signed by the applicant. *An agency worker who assists an applicant/recipient in registering to vote **is prohibited from:** (1) Seeking to influence the individual's political preference or party affiliation; (2) Displaying any items of political preference or party allegiance; (3) Making any statement or taking any action the purpose or effect of which is to discourage the individual from registering to vote; or (4) Making any statement or taking any action the purpose or effect of which is to lead the individual to believe that a decision to register or not to register has any bearing on the availability of services or benefits.* Each agency worker should also make certain that no information relating to a declination to register to vote is used for any purpose other than voter registration. Voter registration documents should not be made part of the eligibility case file, but should be maintained in the NVRA central file.

C. General Instructions:

- 1. Face-to-Face (in home or at the agency office)** -- An individual who presents to the office to apply for benefits, complete a redetermination, or report a change of address, and who will be seen by an eligibility worker, shall be asked: "If you are not registered to vote where you live now, would you like to apply to register to vote here today?" The individual will be asked to complete and sign the Voter Registration Opportunity form (if he or she refuses, the worker should record that information on the form); and will be provided a Voter Registration Application if the individual answered that the individual wishes to register to vote or if the individual did not answer. Assistance must be offered and provided, if requested. If an authorized representative applies on behalf of another person, the authorized representative will be provided with both forms on behalf of the applicant. The same procedures apply when a worker performs the eligibility functions at the individual's home.
- 2. Take Home Application** -- An individual who presents to the office on the individual's own behalf or on behalf of another individual to apply for benefits, complete a redetermination, or report a change of address, and who wishes to complete the requested NJ FamilyCare forms at home will be given a Voter Registration Opportunity form and a Voter Registration Application as part of the application package. Additional Voter Registration Applications can be provided

for other family members 17 and older who may wish to register to vote. (A person can register at age 17 but cannot actually vote until they reach the age of 18.)

- 3. Applications/Redeterminations/Address Changes Mailed** – NJ FamilyCare applications and redeterminations mailed to the individual will include a NJ FamilyCare cover letter (attached in English and Spanish), Voter Registration Opportunity form and a Voter Registration Application as part of the package. In cases, where the individual obtains the NJ FamilyCare application and mails it into the agency, the agency will mail the individual the Voter Registration Application and the Voter Registration Opportunity Form at the first opportunistic mailing including, but not limited to, requests for additional information or eligibility determination. If the individual mails in a change of address, a Voter Registration Application and the Voter Registration Opportunity Form will be mailed to them.
- 4. Online Application** -- An individual who applies online for NJ FamilyCare can access the Voter Registration Opportunity Form at http://www.state.nj.us/humanservices/dmahs/info/resources/medicaid/voter-nvra-dmahs-voter-opportunity_en.pdf or http://www.state.nj.us/humanservices/dmahs/info/resources/medicaid/voter-nvra-dmahs-voter-opportunity_es.pdf and the Voter Registration Application at http://www.state.nj.us/humanservices/dmahs/info/resources/medicaid/vote_english.pdf or http://www.state.nj.us/humanservices/dmahs/info/resources/medicaid/vote_spanish.pdf
These links are on the online application on the confirmation page. A phone number is provided for assistance. The forms will be mailed if the individual answers affirmatively that they want to register to vote or if they do not answer.
- 5. By Telephone** -- An individual who completes a NJ FamilyCare application, redetermination or change of address by telephone will be offered the website to access the Voter Registration Opportunity Form and the Voter Registration Application at <http://www.njfamilycare.org/apply.aspx> (the “Apply” page at NJFamilyCare.org) or at the individual’s option, will be mailed a Voter Registration Opportunity form and a Voter Registration Application by the agency. The worker will provide oral assistance completing the form, if requested, and remind the individual that face-to-face assistance is available.
- 6. Voter Registration Only** -- An individual who presents to the agency for the sole purpose of registering to vote will be provided with a Voter Registration Opportunity form to sign and will be provided a Voter Registration Application form. Assistance must be offered and provided, if requested, in completing the application. An agency shall mail the completed Voter Registration Application to the DOE.
- 7. Other Human Services Programs** -- For individuals who are completing a WFNJ/GA redetermination on GAAS and a NJ SNAP recertification on UAP with the CWA at the same time as a NJ FamilyCare application, the CWA will be required to record the individual’s response in both GAAS and UAP and follow DFD procedures. The worker does not need to provide the Voter Registration

Opportunity form and the Voter Registration Application again for the NJFC application. However, if the individual is **only** applying for NJ FamilyCare, the worker will follow the procedures C.1 through 6.

D. Individual Responses to Voter Registration Opportunity Form:

The worker should ask the individual: "If you are not registered to vote where you live now, would you like to apply to register to vote here today?"

1. If the individual responds "I Am Already Registered," the Voter Registration Opportunity form must be provided, the individual will be asked to sign, and the form must be retained in the agency's NVRA central file designated for NJ FamilyCare.

2. If the individual responds "Yes," the Voter Registration Opportunity form must be provided, signed by the individual, and retained in the agency's NVRA central file. If requested, the worker will assist the individual in completing the Voter Registration Application. If the individual chooses to complete the Voter Registration Application privately, the individual will be given the Voter Registration Application form and informed that the agency will mail the completed Voter Registration Application form if the individual wishes.

3. If the individual responds "No," the Voter Registration Opportunity form must be provided, the individual will be asked to sign, and the form must be retained in the agency's NVRA central file designated for NJ FamilyCare.

4. If the individual refuses to respond to the Voter Registration Opportunity question, the worker must indicate that the individual refused to sign by noting that on the Voter Registration Opportunity form by checking the RTS box. The Voter Registration Opportunity form must be retained in the agency's NVRA central file designated for NJ FamilyCare. The individual should be provided with a Voter Registration Application because they did not decline in writing.

Note: Workers at out-stationed offices should follow the same procedure as the CWA office procedure.

V. Reporting Requirements

DOE requires that agencies that are designated as voter registration agencies file quarterly reports with the DOE. The eligibility worker must place all Voter Registration Opportunity Forms in the agency NVRA central file designated for NJ FamilyCare. The quarterly report will be emailed to the agency liaisons quarterly. The quarterly reports (see attachments) will tally the number of completed Voter Registration Opportunity forms disseminated in person and by mail (including those that refused to sign) and the responses on those forms. Agency NVRA Liaisons shall send their quarterly reports to Jana Lang at Jana.Lang@dhs.state.nj.us, telephone 609-588-2897, and fax 609- 588-3806, the first week after the quarter ends.

VI. Supplies

The CWA shall maintain a sufficient number of Voter Opportunity Forms, Voter Registration Application forms, and promotional materials/signs on hand. Additional NVRA information is provided to the agencies by the DOE on a regular basis and are available online at <http://www.state.nj.us/state/elections/election-information-nvra.html>.
