

If you have a loved one living in a long-term care facility, **FACE NJ** – Family Advocate Care Experience -- is an online community whose mission is to ensure the highest quality of life for residents living in long-term care facilities in New Jersey.

Simply visit Facebook and search for **FACE NJ**, to join. It is free and provides a direct exchange with other family members across New Jersey. **FACE NJ** is a safe and non-judgmental site where you can share your experiences and ask for information and advice from other caregivers.

facebook.com/groups/facenj

FACE NJ is a private Facebook group that functions as an online exchange to enable members to be the best advocate and caregiver they can be for their loved ones.

FACE NJ can also provide linkages to the NJ Office of the Long-Term Care Ombudsman (LTCO) to resolve concerns and complaints.

FACE NJ and the LTCO also host public forums and educational webinars that provide up-to-date information on a wide variety of issues including: COVID-19 visitation requirements; vaccination guidelines; advance care planning; and how to access quality data about individual nursing homes.
