Treasurer Ford Scudder to Hold Embargoed Budget Press Briefing Tuesday

The Treasurer's Office will hold its traditional budget briefing with the media Tuesday in the Treasurer's Office conference room at 12:45 p.m. This will be an on-the-record briefing led by Treasurer Scudder, embargoed until Governor Christie begins his budget address to the Legislature, scheduled for 2:00 p.m. Our intention is to provide an informational briefing to assist reporters with budget details. As such, tape recorders are welcome, but any type of video or still photography is prohibited.

Because space is limited, and out of fairness to everyone else, we ask that outlets limit staffing appropriately so we can avoid the necessity of excluding people if the room becomes too full.
