

New Jersey FFA Association

Guide to Online FFA Applications in 2017

Updated February 16, 2017

Background

After the National FFA Organization launched a new website in February 2015, users received features such as a single sign-on for all FFA services, a fresh look and feel, an enhanced search, a personal dashboard, a personalized experience, the ability to be used on any device, easy to use navigation and my journey. With this launch, FFA members now have the ability to complete applications entirely online.

Students can log in by going to www.ffa.org and using the “My FFA Registration and Login” tab in the top right corner of the page. First-time users will need the invitation code generated to their FFA ID, which should have been sent to them via e-mail. The invitation code can also be accessed by the FFA Advisor through the “Instructor” tab on their Dashboard.

Applications

The following applications are now available for students to complete online. Only online versions of these applications will be accepted in 2017 and moving forward. All other applications (excel files) are obsolete and will not be accepted.

- American Degree
- New Jersey State FFA Degree
- Proficiency Application
- Research Proficiency Application
- SAE Grant Application
- Star Application– this if for Star American Awards NOT Star State Awards
- Agriscience Fair

The Agricultural Experience Tracker (AET)

*If your chapter utilizes AET and students have AET records, the application is automatically locked to the AET records. To unlock the application, click the “Click Here” hyperlink to unlock the application. Doing this will maintain current AET records but will not automatically make updates as changes to AET records are made. If the student does not want to unlock their application, the student will need to make sure his/her records are accurately and completely filled out in the AET record keeping system.

*If your chapter does not utilize AET, students will need to unlock the application prior to starting by clicking the “Click Here” hyperlink. This will be explained again later in this document.

Internet Access

Students will need internet access to work on the applications. However, there are some worksheets for some applications available that can be printed out and assist in them gathering the necessary information prior to starting the application online.

- American Degree - https://www.ffa.org/sitecollectiondocuments/American_Worksheet.pdf
- New Jersey State FFA Degree (new) – n/a
- Proficiency Application– https://www.ffa.org/MyResourceDocuments/proficiencies_faqs.pdf (FAQ)
- Research Proficiency Application – n/a
- SAE Grant Application – n/a
- Star Application – this if for Star American Awards NOT Star State Awards – n/a

Application Submission Process

Please follow page 13 of this document for instructions on the submission process for each application. **PLEASE READ EACH STEP WORD BY WORD!!!** Due dates are FIRM! Please plan accordingly to best adhere to the deadlines set forth in the submission process.

Important Notes

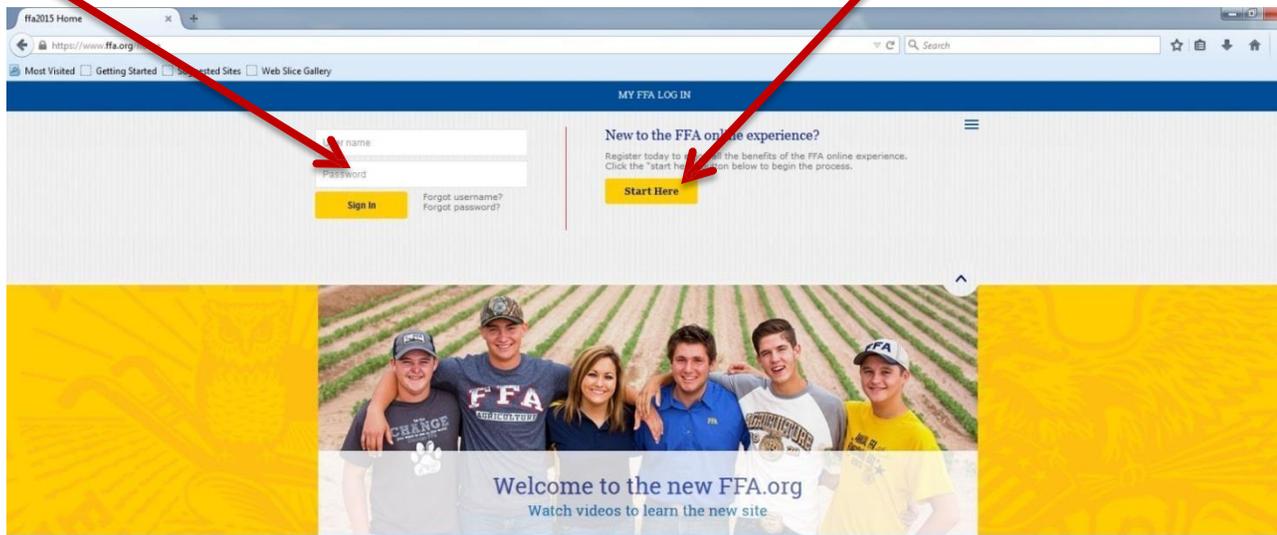

1. Read all instructions and watch all instructional videos before you begin.
2. Check your application for spelling, grammar, mathematical, or technical errors.
3. For award and degree purposes all unpaid or directed laboratory/SAE hours must occur outside of the regular scheduled agriculture class.
4. For award and degree purposes, no unpaid or directed lab/SAE hours dedicated to owning and managing an entrepreneurship/ownership type project are eligible for consideration at the national level.
5. State and Federal Child Labor Laws should be considered when entering total hours dedicated to an SAE. It is also important to consider the hours a student must dedicate to school, sleep, personal care, etc.
6. The Ending Date is 12/31 of the year prior to submitting your application. For example, applications submitted for consideration in 2017 should have an ending date of 12/31/2016.
7. Inventory refers to current and non-current items on hand that are personally owned by the student as of December 31 of the ending date of the application. NOT items they utilized throughout the time of their SAE.
8. While it is common for SAE programs to include other family members, applications should only include the student's share of inventory, income, net worth, etc.
9. State FFA Degree, American FFA Degree and Proficiency Award applications are due March 15, 2017. Accompanying materials are due postmarked by March 15.

Step-by-Step Instructions (Access through www.ffa.org)

1. Go to www.ffa.org and click the down arrow next to “My FFA Registration and Login”.

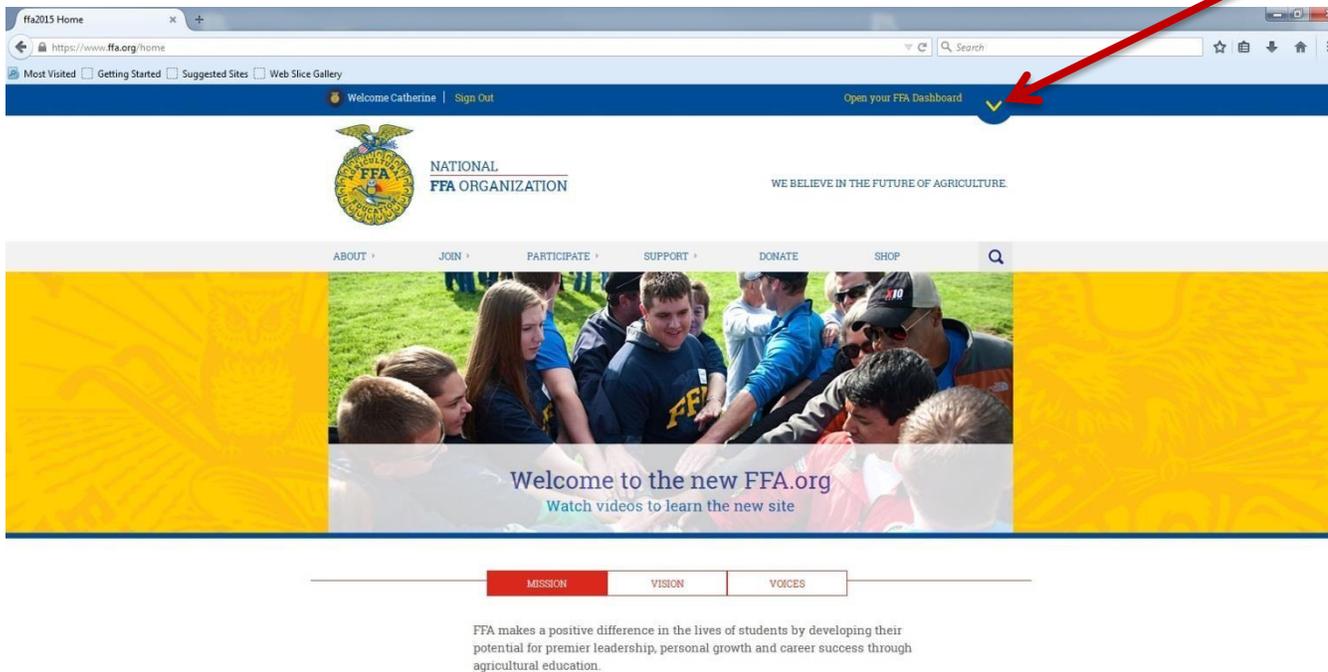

2. Log in using your username and password. (If you do not have a username, contact your advisor for your invitation code. You will then need to create a profile by clicking “Start Here”. YOU WILL NEED THE INVITATION CODE FROM YOUR ADVISOR!)

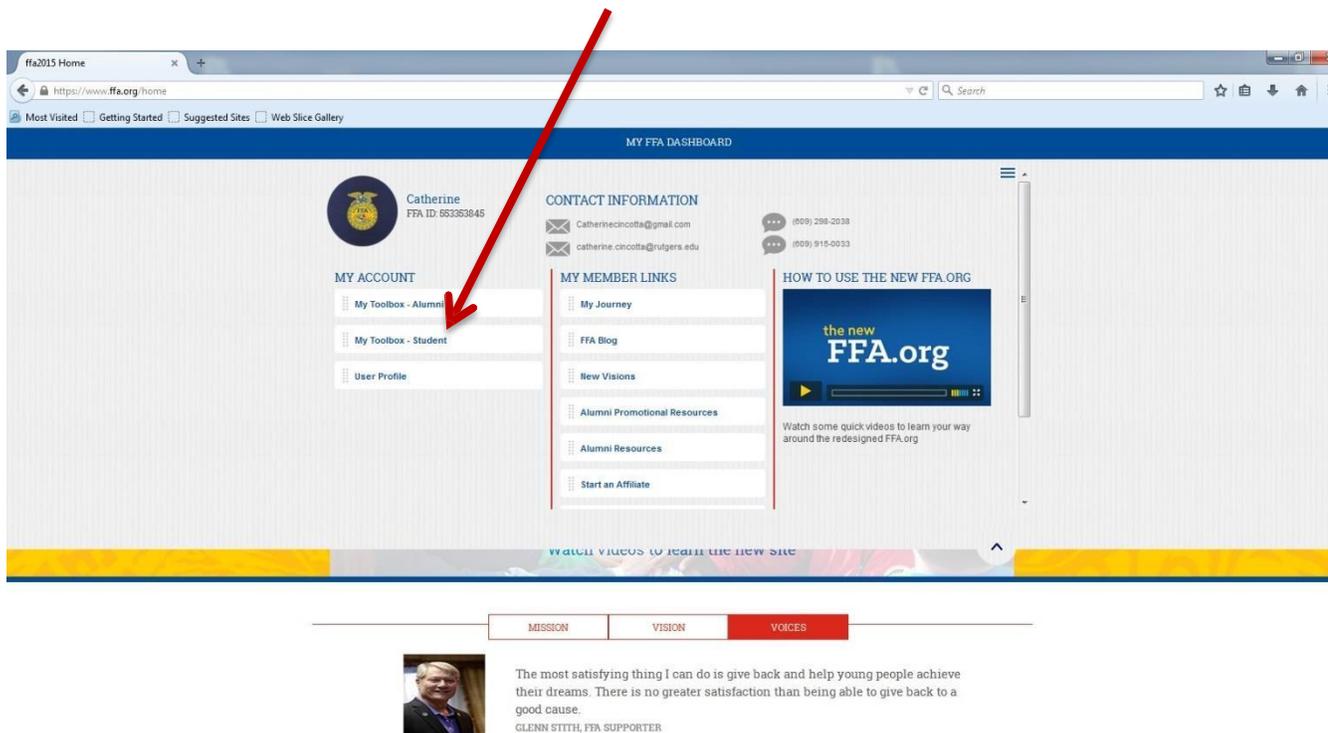

The most satisfying thing I can do is give back and help young people achieve their dreams. There is no greater satisfaction than being able to give back to a good cause.

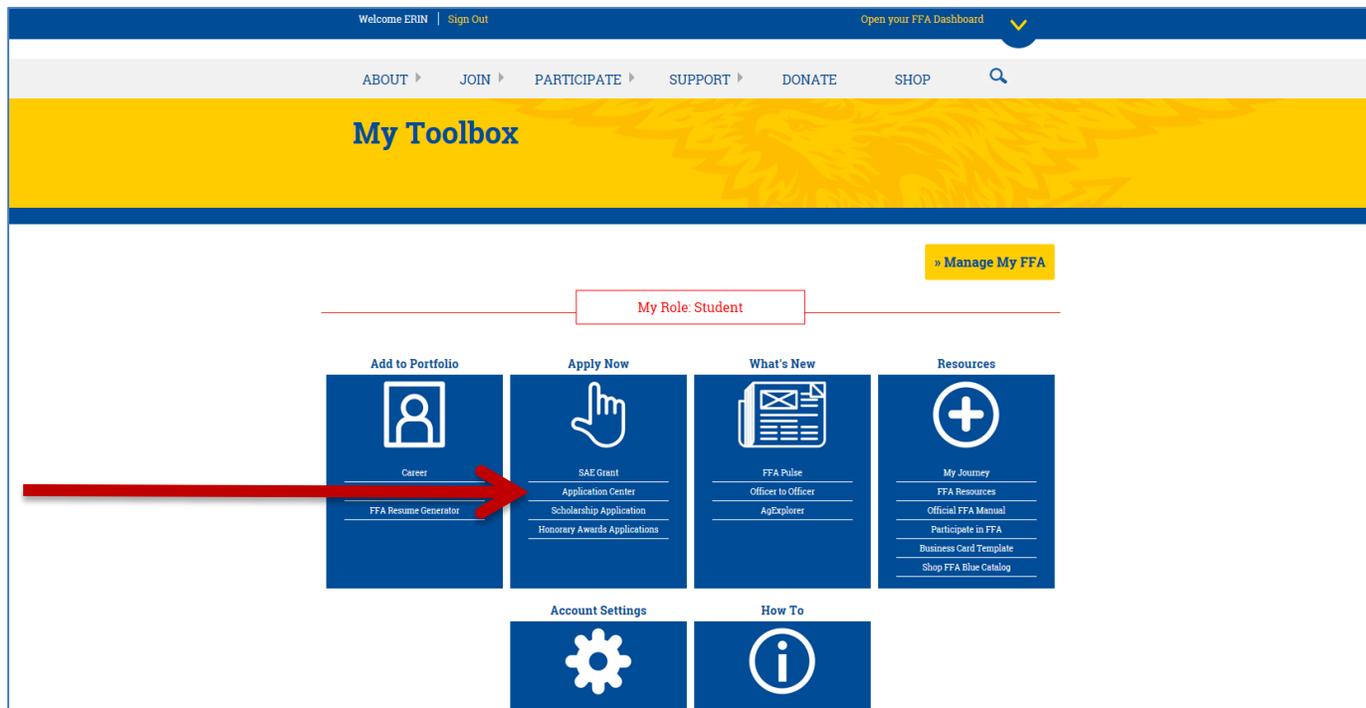

3. Open your FFA Dashboard by clicking the down arrow to the right of “Open your FFA Dashboard”.

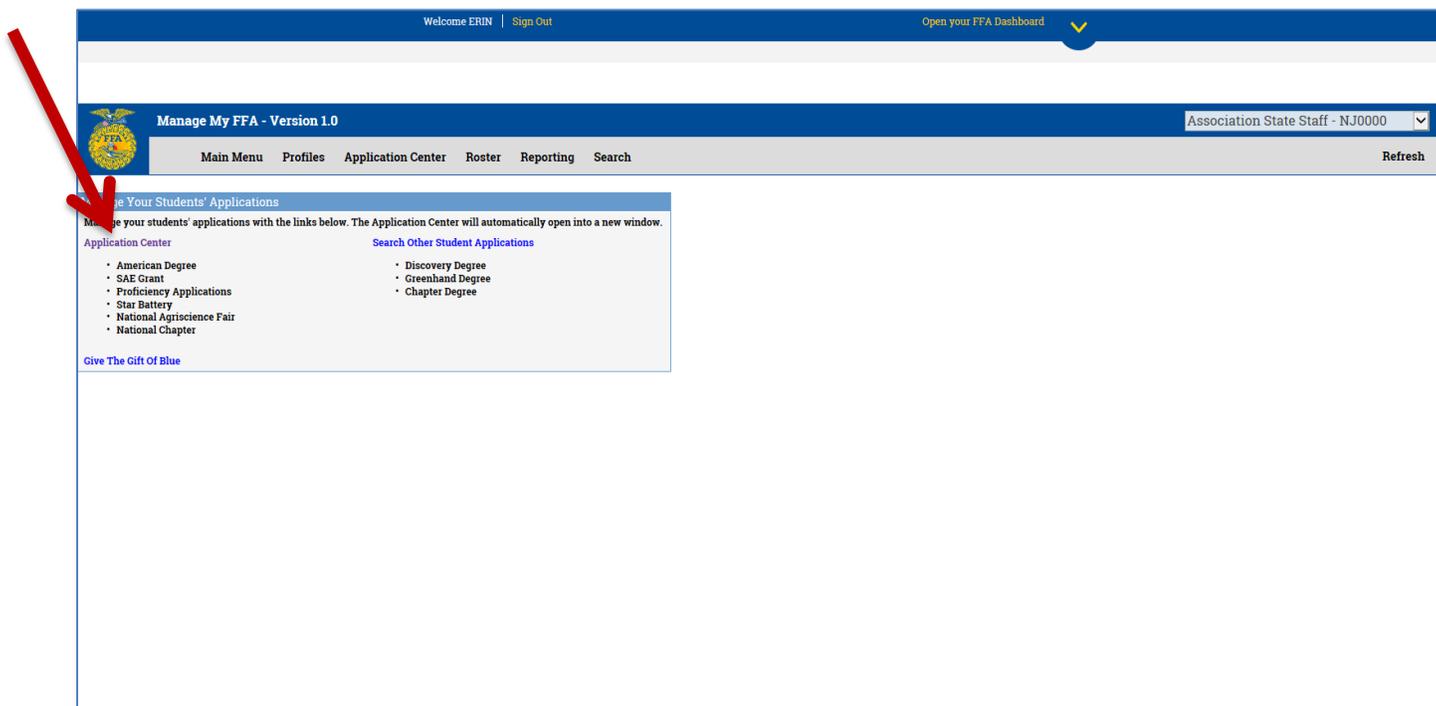

4. Click “My Toolbox – Student”.

5. In the “Apply Now” box (second box from the left), click “Application Center”

6. Click “Application Center” in the box at the top of the page. **(SPECIAL NOTE: The New Jersey State FFA Degree WILL NOT appear in the Application Center box on that same page. You MUST click “Application Center” to get to the New Jersey FFA Degree.)**

- This will bring you to the FFA Degree/Application Manager powered by AET. To begin, select an application from the drop down box and then click Add New. A new application line and a unique # will populate in the table below.

The Agricultural Experience Tracker is the premiere personalized online system for tracking experiences in agricultural education. Please review the menu topics to learn how the AET tracks educational and financial experiences for students and ag programs. Like other systems, the AET summarizes those experiences into standard FFA award applications. The AET can also aggregate those experiences across programs to produce local reports for school administrators and overall economic impact reports for interested stakeholders and legislative representatives.
