SPECTACULAR 4-BR APARTMENT
ONLY \$300/Month!

Swimming Pool! Underground Parking!

4-br, 3-bath beauty with lovely view of the park. Available because the previous owner was struck down in his prime at 47 by the same disease that got his father. So he won't be around to enjoy this place with his family. And sadly, it could've been detected early with a simple test. But he didn't get it. Have you gotten the tests you need? For a list of tests every man should have, go to ahrq.gov.

And that's enough reason to make a parent say, "D'oh!" For *Ten Simple Ways* to instill more art in your kids' lives, visit AmericansForTheArts.org.

Defending dignity.
Fighting poverty.

Sadly, in many of the most poverty-stricken areas of the globe, women are not allowed to play a significant role in society. Which means half of the knowledge, talent and strength that could improve conditions is literally going to waste.

At CARE, we've found in one country after another that the potential women have to create change is nothing short of incredible.

That's why CARE today is focusing on empowering women worldwide. We're building and supporting schools that teach girls alongside boys. We're introducing community projects where men and women work together to accomplish what had seemed impossible, such as installing their own lines and treatment centers for clean water. We're creating innovative micro-loan programs to help women turn indigenous crafts and talents into products they can export.

We've seen the spark ignite when women realize how, with a little help getting started, they can become a force for lasting change.

We're trying to create a world where, finally, every person has the opportunity to realize their potential. Because in the end, that's the key to truly ending injustice and poverty.

SHE HAS
the **POWER**
to change her world.

YOU HAVE
the **POWER**
to help her do it.

YOU SEE A ROOM.

We see a path to stronger communities.

At Volunteers of America, we envision a world where everyone has a place to call home and a meaningful role in society. That's why we open our doors to millions and provide the help and support needed to rebuild lives. We serve as a path to stronger communities—because when lives are improved, communities are, too. After all, who are we as a society if we don't help those who need it the most? To help strengthen your community, visit *VolunteersofAmerica.org*.
