Thinking About Preserving or Selling Your Farm?

The State Agriculture Development Committee (SADC) is seeking applications for preservation under its state acquisition programs. Landowners who are considering farmland preservation, either now or in the future, are encouraged to attend one of the following sessions to learn more about the application, selection and preservation process. All of the sessions, part of the SADC's statewide outreach effort, will take place during or immediately prior to regularly scheduled county agriculture development board meetings.
