TELECOMMUNICATIONS

IN THE MATTER OF THE PETITION OF WARWICK )  
VALLEY TELEPHONE COMPANY TO INTRODUCE )  
NEW SERVICE OFFERINGS

ORDER OF APPROVAL  
DOCKET NO. TT08070531

(SERVICE LIST ATTACHED)

BY THE BOARD:

On July 28, 2008, Warwick Valley Telephone Company ("Warwick") filed a petition with the Board of Public Utilities ("Board") to introduce four new service offerings.

The four new services will be added to the list of Warwick's Custom Calling Service offerings. The new offerings include Distinctive Call Waiting which enables the subscriber to create a unique ring for particular incoming numbers, Selective Call Rejection which provides the subscriber with the ability to reject all calls from selected numbers, and Selective Call Forwarding which enables the subscriber to forward selected incoming numbers to another selected number. Selective Call Acceptance enables the subscriber to select numbers that will reach the main number.

The rates are as follows:

	<u>Monthly Rate</u>	
	<u>Business</u>	<u>Residence</u>
Distinctive Call Waiting	\$4.00	\$3.50
Selective Call Rejection	\$3.75	\$3.25
Selective Call Forwarding	\$4.00	\$3.50
Selective Call Acceptance	\$4.00	\$3.50

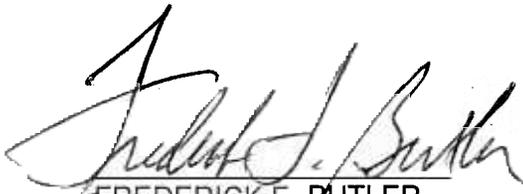

The rate posted for each of these services is above cost, and therefore does not negatively impact competition in the appropriate market. Provision of these services will enhance the Company's offerings and enable it to meet customer service needs and to compete with other providers offering similar services.

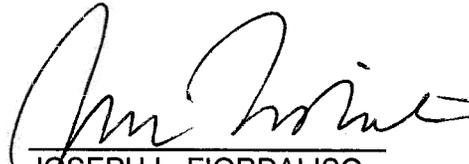

Accordingly, the Board, having reviewed the terms and conditions of service, HEREBY FINDS that the program may increase competition and the service flexibility available to Warwick's customers, and is in keeping with Warwick's responsibility to continue to provide safe, adequate and proper service at just and reasonable rates. For this reason, the Board HEREBY APPROVES this petition.
