TIME, OF THE 30-DAY NOTICE PERIOD FOR FILING)
OF AN ALTERATION IN CHANNEL ALLOCATION)
PURSUANT TO N.J.A.C. 14:18-3.17(A) AND (B))

ORDER

BPU DOCKET NO. CO07100771

(SERVICE LIST ATTACHED)

BY THE BOARD

By letter dated October 1, 2007, Cablevision Systems Corporation, (Cablevision or Petitioner), sought a Board waiver, as within time, of the 30-day notice period for the filing of a notice of an alteration in channel allocation pursuant to N.J.A.C. 14:18-3.17 (a) and (b).

Cablevision maintains that the waiver request is necessary, because it did not have sufficient time to comply with the 30-day notice requirement. According to Cablevision, on October 1, 2007, Tube Media Corporation, one of its programming suppliers, gave notice that, effective October 1, 2007 it would cease delivering The TUBE channel programming, previously carried on channel 184 on Petitioner's Digital Service Tier.

Cablevision asserts that municipal officials were notified of the change by mail on or about October 1, 2007, and subscribers were notified on or about October 1, 2007 via on-screen notices, as well as by bill messages thereafter.

N.J.A.C. 14:18-3.17 (a) and (b) require each cable company to notify the Office of Cable Television (OCTV), subscribers and municipalities of any channel deletions at least 30 days prior to the effective date of the deletion.

N.J.A.C. 14:18-3.17 (c) (3) provides for the relaxation of the time for providing notification when the programming service has been discontinued or withdrawn by the provider in such a manner as to leave the cable television operator without sufficient time to comply. In addition to this requirement, the cable television operator must "provide the required notice at the earliest possible date". Based upon this regulation, Petitioner seeks a waiver, as within time, of the 30-day notice requirements of N.J.A.C. 14:18-3.17 because Petitioner was unable to provide sufficient notice to the OCTV, subscribers and municipalities prior to the deletion.

The deletion of The TUBE channel was not accompanied by a rate change in any service provided to current Cablevision subscribers.

Having reviewed this matter, the Board HEREBY FINDS that the waiver is appropriate under the present circumstances. Cablevision was notified of the deletion by the programming supplier with insufficient time to comply with the required 30 days prior notice, but informed the Board, subscribers and affected municipalities of the deletion of service at the earliest date possible. Therefore, the Board HEREBY APPROVES, as within time, Petitioner's request for a waiver of the alteration in channel allocation filing requirements previously described.
