(SERVICE LIST ATTACHED)

BY THE BOARD:

This Order memorializes action taken by the Board of Public Utilities (Board) at its November 8 Agenda Meeting.

The Board of Public Utilities' Customer On-Site Renewable Energy (CORE) program offers prescribed financial incentives to New Jersey property owners to encourage the installation of Class I renewable energy technologies. Eligible applicants may receive rebates for a portion of the cost of installing solar, wind or sustainable biomass at their site.

The Staff of the Office of Clean Energy (OCE) has reviewed the application of Donaldson Farms for a monetary rebate in the amount of \$168,000 under the CORE Program. The CORE rebate application requests a rebate toward installation of a solar electric system at 178 Airport Road Hackettstown. The number assigned to this application by OCE is BPU-2696. The Docket Number for this matter is EO07100810. OCE finds that said application is complete and fully conforms to all Board eligibility requirements for a rebate commitment under this program.

The Staff of the Office of Clean Energy has reviewed the application of Leonard Pollara for Upper Meadows Farm for a monetary rebate in the amount of \$110,280 under the CORE Program. The CORE rebate application requests a rebate toward installation of a solar electric system at 12 Pollara Lane, Montague. The number assigned to this application by OCE is BPU-3238. The Docket Number for this matter is EO07100819. OCE finds that said application is complete and fully conforms to all Board eligibility requirements for a rebate commitment under this program.

The Staff of the Office of Clean Energy has reviewed the application of Nexus Properties-Yard Ave. for a monetary rebate in the amount of \$659,330 under the CORE Program. The CORE rebate application requests a rebate toward installation of a solar electric system at East State Street, Trenton. The number assigned to this application by OCE is BPU-2708. The Docket Number for this matter is EO07100811. OCE finds that said application is complete and fully conforms to all Board eligibility requirements for a rebate commitment under this program.

The Staff of the Office of Clean Energy has reviewed the application of Nexus Properties-Greenwood Ave. for a monetary rebate in the amount of \$659,330 under the CORE Program. The CORE rebate application requests a rebate toward installation of a solar electric system at 458 Greenwood Ave., Trenton. The number assigned to this application by OCE is BPU-2709. The Docket Number for this matter is EO07100820. OCE finds that said application is complete and fully conforms to all Board eligibility requirements for a rebate commitment under this program.

The Staff of the Office of Clean Energy has reviewed the application of Art Handlers Appliance Center for a monetary rebate in the amount of \$440,828 under the CORE Program. The CORE rebate application requests a rebate toward installation of a solar electric system at 10 East Black Horse Pike, Pleasantville. The number assigned to this application by OCE is BPU-2719. The Docket Number for this matter is EO07100812. OCE finds that said application is complete and fully conforms to all Board eligibility requirements for a rebate commitment under this program.

The Staff of the Office of Clean Energy has reviewed the application of Dufek, Inc., for a monetary rebate in the amount of \$163,700 under the CORE Program. The CORE rebate application requests a rebate toward installation of a solar electric system at 585 N. Michisam Avenue, Kenilworth. The number assigned to this application by OCE is BPU-2763. The Docket Number for this matter is EO07100821. OCE finds that said application is complete and fully conforms to all Board eligibility requirements for a rebate commitment under this program.

The Staff of the Office of Clean Energy has reviewed the application of Chanco Development Corp for a monetary rebate in the amount of \$352,180 under the CORE Program. The CORE rebate application requests a rebate toward installation of a solar electric system at 1465 State Hwy 31, Annandale. The number assigned to this application by OCE is BPU-2782. The Docket Number for this matter is EO07100813. OCE finds that said application is complete and fully conforms to all Board eligibility requirements for a rebate commitment under this program.

The Staff of the Office of Clean Energy has reviewed the application of Petrocks Liquors, Inc. for a monetary rebate in the amount of \$232,692 under the CORE Program. The CORE rebate application requests a rebate toward installation of a solar electric system at 419 Amwell Road, Hillsborough. The number assigned to this application by OCE is BPU-2793. The Docket Number for this matter is EO07100822. OCE finds that said application is complete and fully conforms to all Board eligibility requirements for a rebate commitment under this program.

The Staff of the Office of Clean Energy has reviewed the application of Brick Center, Inc. for a monetary rebate in the amount of \$224,192.80 under the CORE Program. The CORE rebate application requests a rebate toward installation of a solar electric system at 101 Broadway, Point Pleasant Beach. The number assigned to this application by OCE is BPU-2852. The Docket Number for this matter is EO07100814. OCE finds that said application is complete and fully conforms to all Board eligibility requirements for a rebate commitment under this program.

The Staff of the Office of Clean Energy has reviewed the application of Douglas Fisher for a monetary rebate in the amount of \$118,172 under the CORE Program. The CORE rebate application requests a rebate toward installation of a solar electric system at 70 Alloway Aldine Road, Alloway. The number assigned to this application by OCE is BPU-2855. The Docket Number for this matter is EO07100815. OCE finds that said application is complete and fully conforms to all Board eligibility requirements for a rebate commitment under this program.

The Staff of the Office of Clean Energy has reviewed the application of Hoffman LaRoche for a monetary rebate in the amount of \$161,524 under the CORE Program. The CORE rebate application requests a rebate toward installation of a solar electric system at 340 Kingsland Street, Nutley. The number assigned to this application by OCE is BPU-2879. The Docket Number for this matter is EO07100823. OCE finds that said application is complete and fully conforms to all Board eligibility requirements for a rebate commitment under this program.

The Staff of the Office of Clean Energy has reviewed the application of Avolio's Rental & Sales for a monetary rebate in the amount of \$123,204 under the CORE Program. The CORE rebate application requests a rebate toward installation of a solar electric system at 230 Route 206 South, Hillsborough. The number assigned to this application by OCE is BPU-3009. The Docket Number for this matter is EO07100824. OCE finds that said application is complete and fully conforms to all Board eligibility requirements for a rebate commitment under this program.

The Staff of the Office of Clean Energy has reviewed the application of WY Industries for a monetary rebate in the amount of \$504,268 under the CORE Program. The CORE rebate application requests a rebate toward installation of a solar electric system at 2500 Secaucus Road, North Bergen. The number assigned to this application by OCE is BPU-3016. The Docket Number for this matter is EO07100816. OCE finds that said application is complete and fully conforms to all Board eligibility requirements for a rebate commitment under this program.

The Staff of the Office of Clean Energy has reviewed the application of Thomas Brodhecker of Brodhecker Farm for a monetary rebate in the amount of \$256,255 under the CORE Program. The CORE rebate application requests a rebate toward installation of a solar electric system at 2 Branchville Lawson Road, Newton. The number assigned to this application by OCE is BPU-3057. The Docket Number for this matter is EO07100825. OCE finds that said application is complete and fully conforms to all Board eligibility requirements for a rebate commitment under this program.

The Staff of the Office of Clean Energy has reviewed the application of Little Egg Harbor Township for a monetary rebate in the amount of \$178,860 under the CORE Program. The CORE rebate application requests a rebate toward installation of a solar electric system at 305 Frog Pond Road, Tuckerton. The number assigned to this application by OCE is MM05534. The Docket Number for this matter is EO07100817. OCE finds that said application is complete and fully conforms to all Board eligibility requirements for a rebate commitment under this program.

The Staff of the Office of Clean Energy has reviewed the application of Upper Pittsgrove Twp Elementary for a monetary rebate in the amount of \$109,118.75 under the CORE Program. The CORE rebate application requests a rebate toward installation of a solar electric system at 235 Pine Tavern Road, Monroeville. The number assigned to this application by OCE is MM05542. The Docket Number for this matter is EO07100826. OCE finds that said application is complete and fully conforms to all Board eligibility requirements for a rebate commitment under this program.

The Staff of the Office of Clean Energy has reviewed the application of Hopewell Valley RSD--Bear Tavern for a monetary rebate in the amount of \$159,260 under the CORE Program. The CORE rebate application requests a rebate toward installation of a solar electric system at 1162 Bear Tavern Road, Titusville. The number assigned to this application by OCE is MM05573. The Docket Number for this matter is EO07100818. OCE finds that said application is complete and fully conforms to all Board eligibility requirements for a rebate commitment under this program.

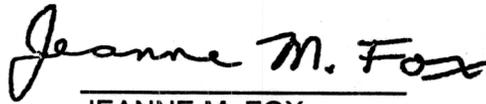

The Staff of the Office of Clean Energy has reviewed the application of Rely Properties for a monetary rebate in the amount of \$144,125 under the CORE Program. The CORE rebate application requests a rebate toward installation of a solar electric system at 1015 White Head Road Extension, Ewing. The number assigned to this application by OCE is MM05527. The Docket Number for this matter is EO07100827. OCE finds that said application is complete and fully conforms to all Board eligibility requirements for a rebate commitment under this program.

Based on the foregoing, the OCE recommends that the Board approve the above referenced rebate applications. Upon review, the Board **FINDS** that the applications fully conform to all relevant eligibility requirements for the CORE program.

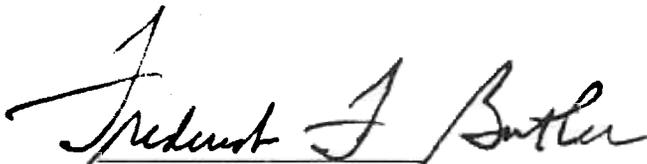

The Board **HEREBY APPROVES** the aforementioned rebate applications for the amounts requested and **AUTHORIZES** the Staff of the OCE to issue a standard commitment letter to the applicants identified above, setting forth the terms and conditions of this rebate commitment.
