TELECOMMUNICATIONS

IN THE MATTER OF THE PETITION OF UNITED) ORDER OF APPROVAL
TELEPHONE COMPANY OF NEW JERSEY, INC.)
D/B/A EMBARQ TO INTRODUCE CENTREX)
SERVICE II) DOCKET NO. TT03121036

(SERVICE LIST ATTACHED)

BY THE BOARD:

On June 5, 2003, United Telephone Company of New Jersey d/b/a Embarq filed a petition with the Board of Public Utilities (Board) to introduce Centrex Service II. The filing was amended by a filing dated February 20, 2008.

Advanced Business Connection (ABC) Service is currently offered by Embarq as its Centrex Type Service. Embarq represents that the Centrex II service is not replacing the ABC service, which will continue to be made available to customers. Centrex II is proposed in order to make available an enhanced alternative to the ABC service by offering additional standard and optional features. The Centrex II standard rate includes features that are optional under the ABC service. Additionally, while the ABC standard bundle includes features that the Company thought customers would most likely prefer, the Centrex II standard package reflects the Company's experience with actual customer preferences. Also, Centrex II service rates include the access line, whereas ABC rates per line are determined by adding the standard business line rate to an ABC basic feature additive.

The proposed rates for Centrex II are as follows:

	<u>Monthly Rate</u>
<u>Centrex Service II Access Line</u>	
Month to Month	\$30.00
1 Year	27.00
3 Year	26.00
<u>Optional Features</u>	
Automatic Line	2.00
Call Park/Call Pick-Up	2.00
Class-of-Service Restrictions	2.00
Distinctive Ringing/Ring Again	2.00

Meet-me-Conference (per customer group)	20.25
Multiple Appearance Directory Number (per number, per appearance)	3.00
Music on-Hold (per customer group)	25.00
Secondary Directory Number (per directory number)	3.00
Speed Call Long (30) (per customer group)	5.00
	<u>Nonrecurring Charge</u>
Service Establishment Translation Charge	\$50.00
Feature Change	
Per Line	10.00
Maximum change per order	50.00

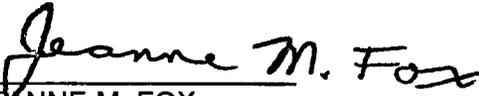

ABC service customers may upgrade to Centrex II without any non-recurring charges but will have to enter into a new contract if they are contract customers and do not choose to take the monthly rate option.

Accordingly, the Board, having reviewed the terms and conditions of service, HEREBY FINDS that the program may increase competition and the flexibility available to Embarq's customers, and is in keeping with Embarq's responsibility to continue to provide safe, adequate and proper service at just and reasonable rates. For these reasons, the Board HEREBY APPROVES this petition.
