(SERVICE LIST ATTACHED)

**BY THE BOARD:**

On October 26, 2007, United Telephone Company of New Jersey, Inc., d/b/a Embarq filed a petition with the Board of Public Utilities (Board) to remove Call Forward No Answer – Customer Controlled and Call Forward Busy-Customer Controlled from Tariff No. 3 N.J.B.P.U.

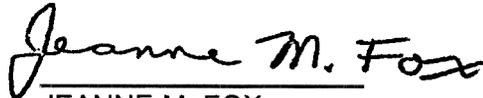

Embarq wishes to remove Call Forward No Answer – Customer Controlled and Call Forward Busy – Customer Controlled from its Tariff. There are no current customers enrolled for these services nor are any customers anticipated to enroll for these services. The Customer Controlled option provides customers capability to activate or deactivate the Call Forward No Answer and Call Forward Busy services, but customers could not program the forward-to number.

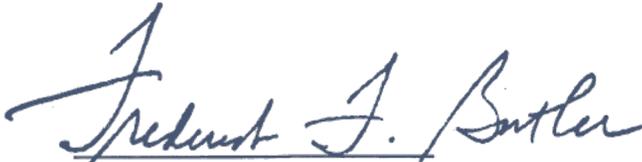

Embarq will continue to offer the Customer Programmable versions of the Call Forward No Answer and Call Forward Busy services. The Customer Programmable option permits the customer to activate or deactivate the service and to program the forward-to number. Call Forward No Answer – Customer Controlled and Call Forward Busy – Customer Controlled, services Embarq wishes to remove, do not permit customers to program the forward-to number.

Accordingly, the Board, having reviewed the terms and conditions of service, HEREBY FINDS that this petition is in keeping with Embarq's responsibility to continue to provide safe, adequate and proper service at just and reasonable rates. For this reason, the Board HEREBY APPROVES this petition and grants Embarq permission to institute the program as set forth in its petition.
