for Petitioner

BY THE BOARD:

On June 29, 2010, pursuant to N.J.S.A. 48:2-21 and N.J.A.C. 14:1-5.12, Petitioner, Gordon's Corner Water Company, ("Petitioner," "Company," or "Gordon's Corner"), a public utility of the State of New Jersey, having its principal business office at 475 County Road 520, Marlboro, New Jersey 07746, subject to the jurisdiction of the Board of Public Utilities ("Board") and providing water service to approximately 15,000 customers in portions of the Townships of Marlboro and Manalapan, Monmouth County, New Jersey, filed a petition for a revision of its rates for water and wastewater service, amounting to an overall increase of approximately \$1,519,599 or 16.48% in annual revenues. The increase in rates was proposed to become effective on August 4, 2010. The Petitioner does not seek interim rate relief pending final determination on the petition.

According to the petition, the rate increase is required to permit the Petitioner to meet the cost of operating its facilities used and useful in the service of the public and to permit the Company the opportunity to earn a just and reasonable rate of return on its net investment in utility property to maintain its financial integrity and to attract capital, so to enable the Company to continue to provide safe, adequate and proper utility service to its customers.

It appearing that the proposed revisions will increase existing rates and change or alter existing classifications in Petitioner's tariff, it is HEREBY ORDERED that:

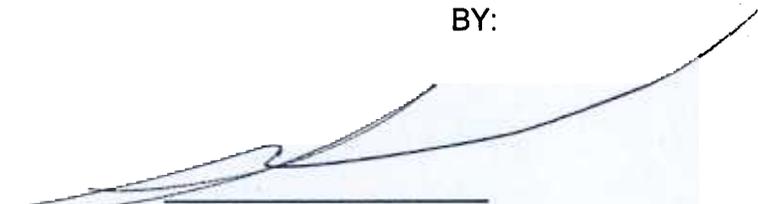

- (1) Pursuant to N.J.S.A. 48:2-21, the proposed revisions be, and are suspended until December 4, 2010, unless the Board prior to that date, makes a determination disposing of the petition or enters an Order further suspending the proposed revisions;
- (2) Petitioner shall, at least ten (10) days prior to the date set for hearing on the petition by the Office of Administrative Law, file with this Board and with the Office of

Administrative Law (33 Washington Street, Newark, N.J. 07102) proof of compliance with the Notice provisions of N.J.S.A. 48:2-32.2 and N.J.A.C. 14:1-5.12 (b) and (c), which Notice shall include a statement that any relief found by the Board to be just and reasonable may be allocated by the Board to any class or classes of customers on any rate or schedule as the Board may determine; and

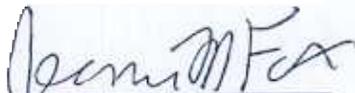

(3) Petitioner shall serve copies of this Order upon the Office of Administrative Law, the Division of Rate Counsel (31 Clinton Street, P.O. Box 46005, Newark, NJ 07102), the clerk(s) of each affected municipality, the clerk(s) to the Boards of Chosen Freeholders of each affected county, and where appropriate, the executive officer of each affected county within its service area. Service of the petition, notice of hearings and this Suspension Order may be made simultaneously. Proof of service of this Order shall be filed with the Board within fifteen (15) days of the date of this Order.
