TELECOMMUNICATIONS

IN THE MATTER OF FILING BY THE)	ORDER OF APPROVAL
UNITED TELEPHONE COMPANY OF)	
NEW JERSEY, INC. TO MODIFY ITS)	
TARIFF TO DELETE SPECIAL HIGH)	
VOLTAGE PROTECTIVE APPARATUS)	DOCKET NO. TT01050305

(SERVICE LIST ATTACHED)

BY THE BOARD:

On May 9, 2001, United Telephone Company of New Jersey, Inc. (United) filed tariff pages revising its access tariff N.J.B.P.U. No. 4. According to United, this filing proposes to delete Special High Voltage Protective Apparatus, a technologically obsolete service offering for which there is no current or anticipated customer demand.

United stated that High Voltage Protective Apparatus service was offered to those customers who wanted protection for their terminal equipment from high voltage surges. This service failed to generate customer interest due to the availability of inexpensive equipment that customers could purchase directly. Furthermore, United stated that this service has been previously deleted from its interstate access tariff.

Since the deletion of the proposed service will not affect any existing or anticipated customers, and that the service is technologically obsolete, the Board ORDERS that United's filing be APPROVED as filed.
