- E. Whenever an electric or gas supplier intends to use new or updated marketing materials targeted at retail customers in the State of New Jersey, including but not limited to, electronic, print, radio or television media, internet websites or scripts used in door-to-door, telephone or other point-of-sale marketing, the supplier shall submit to the Board of Public Utilities at least five (5) business days prior to the use of such materials a certification. The certification shall identify specific changes or updates made by the supplier and shall state that the new or updated marketing materials fully comply with all applicable laws, rules, regulations and Board Orders concerning marketing standards. Failure to timely submit this certification may result in enforcement action. Moreover, the Board reserves the right to request and review any marketing materials it deems necessary at any time while the supplier is licensed by the Board.

CERTIFICATION UNDER OATH

1. I, _____, hereby certify that I am the _____ of the
(Type or print name) (title)
Licensee and have been authorized to file this license renewal application and certification on behalf of the Licensee.

2. I hereby certify that I have carefully examined all of the statements contained in this license renewal application and in the attachments hereto and made a part hereof, that I have knowledge of the matters set forth herein, that all statements made and matters set forth herein are true and correct to the best of my knowledge, information, and belief and that I know of no material omission. I am aware that submitting false or misleading information in connection with this renewal application is grounds for revocation of license and may subject me, the Licensee and other responsible persons on behalf of the Licensee to penalties of perjury, as well as to other civil or criminal penalties.

3. I hereby certify that the Licensee agrees to comply with all standards, rules and regulations applicable to this license and to meet all reliability standards in accordance with N.J.S.A. 48:3-49 et seq. or as may be established by any applicable regulatory authority.

4. I hereby certify that the Licensee understands and agrees that approval of this license renewal application does not afford any rights with respect to use of a utility facility, but exercise of the license is subject to execution of an access agreement to be entered into between the Licensee and a utility on mutually acceptable terms.

5. I also certify that the Licensee shall provide such information as the Board or its staff shall require to assist the Board in making any determination concerning revocation, suspension, issuance or renewal of the license.
