19:43-15.2 Entertainment within the casino room and casino simulcasting facility

(a) No entertainment shall be offered within the casino room or the casino simulcasting facility itself, unless the casino licensee receives approval from the Commission to provide such entertainment. The casino licensee shall file a written submission with the Commission and the Division at least five

days prior to the commencement of such entertainment, which submission shall include, at a minimum, the following information:

1. The date and time of the scheduled entertainment;
2. A detailed description of the type of entertainment to be offered;
3. The number of persons involved in the entertainment;
4. The exact location of the entertainment on the casino floor and casino simulcasting facility;
5. A description of any additional security measures that will be implemented as a result of the entertainment; and
6. A certification from the supervisors of the casino licensee's security and surveillance departments that the proposed entertainment will not adversely affect the security and integrity of gaming operations.

(b) The submission in (a) above shall be deemed approved by the Commission unless the casino licensee is notified in writing to the contrary within three days of filing.

(c) The Commission may at any time after the granting of approval require the licensee to immediately cease any entertainment offered within the casino room or casino simulcasting facility if the entertainment provided is in any material manner different from the description contained in the submission filed pursuant to (a) above, or in any way compromises the integrity of gaming operations.

(d) In reviewing the suitability of an entertainment proposal, the Commission shall consider the extent to which the entertainment proposal:

1. May unduly interfere with efficient casino operations;
2. May unduly interfere with the security of the casino room or casino simulcasting facility or any of the games therein or any restricted casino area; or
3. May unduly interfere with surveillance operations.
