

PHARMACY PROVIDER TRAINING

"AN OVERVIEW OF MEDICAID FRAUD DETECTION AND PREVENTION"

June 1, 2016 10 a.m. - 12:30 p.m.
N.J. Forensic Science Technology Center
1200 Negron Drive, Hamilton, N.J. 08691

Program Description:

New Jersey is one of many states investigating abuse and misuse of federal and state funds by pharmacy providers. Several state agencies -- the N.J. Division of Consumer Affairs, the Medicaid Fraud Division (MFD), the Division of Medical Assistance and Health Services (DMAHS) and the Medicaid Fraud Control Unit -- are working together with New Jersey's Managed Care Organizations (MCOs) to identify fraud, waste and abuse within the pharmacy industry.

Who Should Attend:

This event is designed for pharmacy personnel (pharmacists, technicians, owners, loss prevention and others).

Attend this program to learn:

- *Why inspections and investigations are taking place
- *How the MCOs and N.J. Medicaid agencies work together in detection
- *Which preventative measures pharmacies should proactively implement
- *How billing errors, improper billing practices and incomplete documentation can potentially impact your bottom line

Goals of This Presentation -- To Help Pharmacists Better Understand:

- * The Medicaid regulatory framework
- * Medicaid documentation requirements
- * The N.J. Prescription Monitoring Program
- * Third Party Liability (TPL) requirements
- * Fraud, waste and abuse obligations (reporting and prevention)
- * The consequences of non-compliance

Speakers:

Representatives from Aetna, AmeriGroup, Horizon NJ Health, United Healthcare, Wellcare and the state agencies listed above
