Saturday Bus Schedule

How To Use This Schedule?

1. Choose the direction you wish to travel and then locate the Weekday or Saturday schedule.
2. Numbered timepoints on the top of the schedule match the numbered timepoints on the map. Not all of the bus stops are timepoints. If your stop is between two timepoints, use the earlier timepoint as a guide to when the bus will arrive.
3. Read across the timetable to find the location where you want to get off the bus. Read down the schedule to find the time the bus will get there.
4. To find out what time you need to be at the bus stop to board, follow the time back across the schedule to where you are getting on. That is the time the bus is expected to be there.
