

Dear Friends:

It gives me great pleasure to offer this electronic newsletter as a way for you to keep abreast of news and events in Mercer County government.

2012 marks the beginning of my third term as your County Executive, and this publication is another step toward one of my Administration's priorities: making Mercer County government open, accessible and responsible.

As a center for business, education and research, arts and entertainment, technology and entrepreneurship, Mercer County has much to offer. Whether you visit one of our historic sites, enjoy one of our parks, take in a play or musical performance, shop in one of our many retail centers, or study at one of our institutions of higher learning, you will agree that Mercer County has it all.

I will continue to improve the quality of life for all Mercer County residents, always looking for new ways to make Mercer County a better place to work, live, play and raise a family.

Thank you.

Sincerely,
Brian M. Hughes
Mercer County Executive
