SECTION B – MISCELLANEOUS MATTERS**B-1 CHANGE IN CLASSIFICATION PLAN – TITLE CONSOLIDATION**

The Division of Classification and Personnel Management requests the consolidation of the Planner title series and to restructure the title series to make the State titles common.

**MEMORANDUM**

DATE: July 12, 2013
TO: The Civil Service Commission
FROM: Kenneth Connolly, Director *Kenneth Connolly*
Division of Classification & Personnel Management
SUBJECT: Change in the State Classification Plan

PLANNER TITLES

The Division of Classification and Personnel Management requests structural revisions to the Planner title series. This restructuring includes making State titles common and consolidating local titles into those made common.

Titles possessing similar duties, responsibilities and experience requirements were identified to determine the practicality and appropriateness of title consolidation.

All titles are currently in the competitive service, and will remain as such.

The unions were notified of these changes on July 1, 2013, in accordance with N.J.A.C 4A:3-3.3(f) and have voiced no objections. The impacted state and local Appointing Authorities were given the opportunity to review this proposal and all articulated issues have been reviewed and addressed.

For those titles being consolidated, upon the successful completion of the consolidation process, the identified titles will be inactivated. Any existing eligibility lists for these titles shall be processed as follows:

- An incomplete list containing no employees with current provisional appointments for the title and unit scope specified shall be declared expired.
- Any employee currently on active military duty will be afforded all applicable rights under Federal and State law upon their release from active duty and given the opportunity to apply and compete for any announcements for which they would otherwise have been eligible but for their military service.
- Eligibility lists for affected titles and unit scopes which have expired will be revived as necessary to address unanticipated situations which may arise.
- Local employees on regular or special reemployment lists for the title to be consolidated will have their names retained on such lists for the replacement title.
