SECTION B – MISCELLANEOUS MATTERS

B-1 CHANGE IN STATE CLASSIFICATION PLAN – EMERGENCY RESPONSE SPECIALIST TITLE SERIES

The Department of Environmental Protection requests a salary re-evaluation for the Emergency Response Specialist titles series.

MEMORANDUM

DATE: February 9, 2011
 TO: Civil Service Commission
 FROM: Kenneth C. Connolly, Director
 State and Local Operations
 SUBJECT: Change in the State Classification Plan

DEPARTMENT OF ENVIRONMENTAL PROTECTION

The Department of Environmental Protection requested a salary re-evaluation for the Emergency Response Specialist title series.

The Department cited several changes which have expanded the scope of the job and, have impacted job content factors. An evaluation of the titles, including completion of job analysis questionnaires, was conducted to determine the merits of this request.

The results of the evaluation indicate that the titles in this series have met the threshold for substantial change. The survey responses consistently showed a greater consequence of error, greater diversity of work, and greater freedom to act. The results were reviewed against the compensable factors of Know-How, Problem Solving and Accountability; there is sufficient cause to increase the class code for all levels by one range.

Negotiations representatives were informed of this request by the Appointing Authority.
