series into the base title effective the first pay period following the Civil Service Commission's action regarding this request. SLO also requests verbiage changes for four of the thirteen Education Program Development Specialist variant title series effective the first pay period following the Commission's action regarding this request. SLO has provided notice to the affected parties of the proposed changes in the classification plan.

MEMORANDUM

DATE: March 28, 2011
TO: Civil Service Commission
FROM: Kenneth Connolly, Director
State and Local Operations
SUBJECT: Change in State Classification Plan

DEPARTMENT OF EDUCATION

The Division of State and Local Operations requests consolidation of certain variant titles in the Education Program Development Specialist series. This consolidation will provide State agencies with the flexibility needed to more effectively meet their responsibilities.

We seek to consolidate nine (9) out of thirteen (13) Education Program Development Specialist variant titles in the series into the base title. Upon successful completion of the consolidation process, the consolidated variant titles involved will be inactivated.

The definition, requirements, and knowledge, skills, and abilities sections of the base title have been modified to accommodate the proposed title consolidation. Use of the consolidated series will be restricted to those agencies currently using the variant titles. Affected State agencies have been given the opportunity to review the proposal and all articulated concerns have been discussed and resolved.

The title series will be numbered in accordance with the current practice, with the numerical suffix "1" representing the lowest level (entry level) to "3" representing the highest level in this series.

The title actions will be processed as lateral employee movements; appointment type to appointment type, with retention of existing status. There will be no changes in class code or salary. An employee's prior held title rights will not be impacted by this action.

Collective negotiation representatives and impacted employees have been notified. Copies of these notices are attached.

VERBIAGE CHANGE

Effective date: The effective date of the verbiage change will be the first pay period that follows the Commission's approval of this change in the State Classification plan.

MEMORANDUM

FROM: Kenneth Connolly, Director
State and Local Operations
SUBJECT: Change in the Classification Plan

LOCAL GOVERNMENT

The Division of State and Local Operations requests a title verbiage change and a restructuring of the training period for the local title of Building Inspector Trainee.

The local title of Building Inspector Trainee requires that one possess a license as a *Building Inspector Trainee (06269)*, issued by the New Jersey Department of Community Affairs (DCA). This title advances to the title of Building Inspector, which requires a license as a *Building Inspector (00924)*.

DCA regulations permit the Building Inspector Trainee a maximum of two years to obtain the Building Inspector license. This time period is needed to allow sufficient time to complete the classes, and schedule and pass the required exam. Conversely, Civil Service Commission (CSC) regulations permit a Trainee to serve for a maximum of one year. In this unusual situation, the Trainee must be advanced after one year, but technically isn't eligible, because in most cases, the Trainee hasn't had sufficient time to complete all DCA requirements to possess the proper license for the primary level.

We request that the title be renamed to Building Inspector Apprentice. Apprentice titles permit for a "training" period beyond one year. In this case, the apprenticeship period will be a maximum of two years. This change will result in regulatory compliance for both CSC and DCA, without creating additional titles or amending administrative codes.

This solution was found to be acceptable to both DCA and the local jurisdiction who questioned this anomaly.

This action will be effective immediately following approval by the Civil Service Commission.

LOCAL GOVERNMENT- KEYBOARDING CLERK TITLE CONSOLIDATION INITIATIVE

The Division of State and Local Operations requests the consolidation of various local government titles within Occupational Group 20 (Clerical Occupations), specifically those titles having typing/keyboarding responsibilities. This consolidation will provide local jurisdictions with the flexibility needed to more efficiently meet their responsibilities, while also providing employees with enhanced career advancement opportunities.

Titles possessing similar duties, responsibilities and experience requirements were identified to determine the practicality and appropriateness of title consolidation. The result of this review indicates ten (10) titles may be consolidated within the current Clerk Typist series.

The revised series will be renamed Keyboarding Clerk to more appropriately represent the type of work performed by incumbents. This function has evolved over time to include the use of keyboard equipment to input/retrieve information on a desktop or other computer, replacing antiquated technology such as a typewriter.

The definitions, requirements, knowledge, skills and abilities sections of the title specifications have been modified to accommodate the proposed title consolidation. As a result, the proposed title specifications are broader and more general, allowing for greater flexibility across jurisdictions.

The title series will be numbered in accordance with current practices, with the numerical suffix "1" representing the lowest level (entry level) to "4" representing the highest level (supervisory level).

The title actions will be processed as lateral employee movements; appointment type to appointment type, with retention of existing status.

Upon successful completion of the consolidation process, the consolidated titles involved will be inactivated. Any existing eligibility lists for these titles shall be processed as follows:

- Promotional and open competitive lists issued from pending announcements for any affected title in which employees with provisional appointments are serving will be certified for one time use only in order to effect permanent appointment(s) and will be declared expired upon disposition of the certification.
- A complete list that has never been used and contains no employees with current provisional appointments for the title and unit scope specified shall be declared expired.
- A complete list which contains employees with current provisional appointments for the title and unit scope specified (with the exception of such employees currently on active military duty) will be processed for one time use and will be declared expired upon the disposition of the certification.
- An incomplete list containing no employees with current provisional appointments for the title and unit scope specified shall be declared expired.
- Any employee currently on active military duty will be afforded all applicable rights under Federal and State law upon their release from active duty and given the opportunity to apply and compete for any announcements for which they would otherwise have been eligible but for their military service.
- Eligibility lists for affected titles and unit scopes which have expired will be revived as necessary to address unanticipated situations which may arise.

Local Appointing Authorities have been given the opportunity to review this proposal and all articulated issues have been reviewed and resolved.

LOCAL GOVERNMENT- CLERK SERIES
TITLE CONSOLIDATION INITIATIVE

The Division of State and Local Operations requests the consolidation of various local government titles within Occupational Group 20 (Clerical Occupations), specifically, those titles responsible for performing generic clerical work. This consolidation will provide local jurisdictions with the flexibility needed to more efficiently meet their responsibilities, while also providing employees with enhanced career advancement opportunities.

Titles possessing similar duties, responsibilities and experience requirements were identified to determine the practicality and appropriateness of title consolidation. The result of this review indicates sixty-eight (68) titles may be consolidated from the current Clerk series.

ACTION:

- B-8** The Division of State and Local Operations requests the consolidation of various local government titles within Occupational Group 20 (Clerical Occupations) that are responsible for taking and transcribing dictation (Stenography).

MEMORANDUM

DATE: March 4, 2011
TO: Civil Service Commission
FROM: Kenneth Connolly, Director
State and Local Operations
SUBJECT: Change in State Classification Plan

LOCAL GOVERNMENT- CLERK STENOGRAPHER TITLE CONSOLIDATION INITIATIVE

The Division of State and Local Operations requests the consolidation of various local government titles within Occupational Group 20 (Clerical Occupations), specifically, those titles responsible for taking and transcribing dictation (Stenography). This consolidation will provide local jurisdictions with the flexibility needed to more efficiently meet their responsibilities, while also providing employees with enhanced career advancement opportunities.

Titles possessing similar duties, responsibilities and experience requirements were identified to determine the practicality and appropriateness of title consolidation. The result of this review indicates six (6) titles may be consolidated within the current Clerk Stenographer series.

The definitions, requirements, knowledge, skills and abilities sections of the title specifications have been modified to accommodate the proposed title consolidation. As a result, the proposed title specifications are broader and more general, allowing for greater flexibility across jurisdictions.

The title series will be numbered in accordance with current practices, with the numerical suffix "1" representing the lowest level (entry level) to "4" representing the highest level (supervisory level).

The title actions will be processed as lateral employee movements; appointment type to appointment type, with retention of existing status.

Upon successful completion of the consolidation process, the consolidated titles involved will be inactivated. Any existing eligibility lists for these titles shall be processed as follows:

- Promotional and open competitive lists issued from pending announcements for any affected title in which employees with provisional appointments are serving will be certified for one time use only in order to effect permanent appointment(s) and will be declared expired upon disposition of the certification.

Civil Service Commission
 March 4, 2011
 Page 2

- A complete list that has never been used and contains no employees with current provisional appointments for the title and unit scope specified shall be declared expired.
- A complete list which contains employees with current provisional appointments for the title and unit scope specified (with the exception of such employees currently on active military duty) will be processed for one time use and will be declared expired upon the disposition of the certification.
- An incomplete list containing no employees with current provisional appointments for the title and unit scope specified shall be declared expired.
- Any employee currently on active military duty will be afforded all applicable rights under Federal and State law upon their release from active duty and given the opportunity to apply and compete for any announcements for which they would otherwise have been eligible but for their military service.
- Eligibility lists for affected titles and unit scopes which have expired will be revived as necessary to address unanticipated situations which may arise.

Local Appointing Authorities have been given the opportunity to review this proposal and all articulated issues have been reviewed and resolved.

LOCAL GOVERNMENT- NEW TITLE SERIES TITLE CONSOLIDATION INITIATIVE

The Division of State and Local Operations seeks to create a new title series for use by local jurisdictions to be named Records Support Technician and to subsequently inactivate certain titles which will be consolidated into the new title series.

The series will consist of four (4) levels, with the numerical suffix "1" representing the lowest level (entry level) to "4" representing the highest level (supervisory level).

The new series will accommodate incumbents performing varied clerical work involving the processing and filing of records.

Based on a recent classification study of titles residing in Occupational Group 20 (Clerical Occupations), twenty-nine (29) local titles responsible for performing similar recordkeeping/filing duties were identified for consolidation. Incumbents presently residing in these titles will be cross-walked to the corresponding level in the new series.

The title actions will be processed as lateral employee movements; appointment type to appointment type, with retention of existing status.

We recommend that all levels be allocated to the career service, competitive division.

Upon successful completion of this process, the consolidated titles involved will be inactivated. Any existing eligibility lists for these titles shall be processed as follows:

- Promotional and open competitive lists issued from pending announcements for any affected title in which employees with provisional appointments are serving will be certified for one time use only in order to effect permanent appointment(s) and will be declared expired upon disposition of the certification.
- A complete list that has never been used and contains no employees with current provisional appointments for the title and unit scope specified shall be declared expired.

ACTION:

- B-10** The Division of State and Local Operations requests the inactivation of 133 State Executive Branch titles, including both General use and those restricted to various Departments that are unencumbered.

MEMORANDUM

DATE: April 4, 2011
TO: Civil Service Commission
FROM: Kenneth Connolly, Director
State and Local Operations
SUBJECT: Change in the Classification Plan

DEPARTMENT-SPECIFIC AND GENERAL TITLES

The Division of State and Local Operations requests the inactivation of State titles, assigned to various Departments.

The titles are unencumbered, and there are no plans for future use. We have notified the impacted agency of our plans to inactivate, and have provided them with the opportunity to review and comment. The appropriate negotiations representatives were notified of these plans.

This action is requested to comply with Civil Service Commission goals of title reduction of unnecessary titles.

The effective date of these title inactivations will be the first pay period that follows the Commission's approval of the action.
