POLICE SERGEANT

2013 Police Sergeant Consent Decree Results

For the 11 jurisdictions with priority promotion lists (Atlantic City, East Orange, Elizabeth, Hoboken, Jersey City, New Brunswick, Newark, Passaic, Paterson, Teaneck and Trenton), regular eligible lists will not be issued until all required priority promotions have been made. For this reason, only priority promotion lists were issued for these jurisdictions on August 6, 2014. Test scores were issued to all candidates, but only priority promotion candidates received individual rankings. Rankings for the non-priority promotion candidates will not be made available until regular eligible lists are issued.

2014 Police Sergeant Examination Cycle

The current administration announced on January 1, 2014 and June 1, 2014; a targeted test administration date has not been determined. Our method of disseminating information to all interested parties (candidates, appointing authorities, and unions) is to advise them to visit the CSC's website, under Public Safety Testing News, to view the most up-to-date status report on police promotional testing schedules. When there is something new to report, the website status will be updated. We anticipate issuing an orientation guide well in advance of the test administration. The orientation guide will provide candidates with a description of the testing process along with tips and other information on how to prepare for the testing process.
