

# Residential Lead Abatement Contractors

## Contracts Over \$20,000 and Under \$100,000

DCA does not promote or endorse any of the contractors on the list. The information on this list was compiled from a voluntary survey, conducted by the New Jersey Department of Community Affairs (DCA), of State-certified residential abatement contractors. The information provided by contractors as to the services they offer has not been verified by DCA. The list is intended to help consumers find a contractor that provides lead abatement work and related construction services in specific areas in New Jersey. The presence of a contractor on the list should not be taken as an endorsement of the contractor by DCA.
