

REQUEST FOR PROPOSALS: LEAD HAZARD CONTROL CONTRACTORS

As the provider of services under the NJ DCA's Lead Assistance Program grants, Isles Inc. is seeking responses from qualified Contractors to become part of a **"Qualified Lead Contractor Pool"** to provide either 1) lead remediation/mitigation or 2) lead abatement services for the 2024-2025 Lead Assistance Program grants from the New Jersey Department of Community Affairs (DCA). {Note: Only contractors on the [NJ Certified Lead Abatement Contractor](#) list can perform abatements}

Isles Inc. intends to prequalify Lead Hazard Control/Remediation Contractors to participate in a "Qualified Lead Contractor Pool" for Mercer County, NJ of up to 9 Lead Abatement or Remediation (RRP Firm Certified) contractors. The purpose of these programs are to identify and remediate lead-based paint hazards to prevent elevated blood lead levels in children and pregnant women. The program targets municipalities in New Jersey with high reported incidence of elevated blood lead levels in children under age six. We are seeking contractors perform lead hazard control and remediation services in Mercer County, NJ, with a focus on Trenton, NJ.

Minority and woman-owned businesses are encouraged to apply. Isles Inc. is an Equal Opportunity Employer.
