DEPARTMENT OF COMMUNITY AFFAIRS
AND THE NEW JERSEY DIVISION OF FIRE SAFETY***

This year's attendees will have the opportunity to choose between eleven (11) two-day courses. The courses are open to the target audience of Fire, EMS Company and Chief Level Officers.

If you are interested in attending this program, you must mail a check in the amount of \$38.81, made payable to "Kean University"; a completed application, FEMA Form 119 (short form); and the addendum on Page 11. A separate check must be included with each application. No vouchers or purchase orders will be accepted. You can obtain FEMA Form 119 (General Admissions Short Form), from the National Fire Academy's website:

[Http://www.usfa.dhs.gov/downloads/pdf/ff_119_25_2_75_5a.pdf](http://www.usfa.dhs.gov/downloads/pdf/ff_119_25_2_75_5a.pdf) or at the Kean University Fire Safety Training website: www.keanfiresafety.com

HOMELAND SECURITY/FEMA ID NUMBER

New administrative procedures implemented by the U.S. Department of Homeland Security/FEMA require that all students must obtain a student ID number to attend any courses on campus, or receive credit through State delivery systems. The purpose is to remove the Social Security Number from their computer systems to safeguard sensitive data from being hacked within the Federal computer systems.

Students will need to obtain this number prior to the 2014 NJ Weekend, and place their ID number upon the application to attend the NJ Weekend. This requirement will be enforced by DFS upon all who attend the NJ Weekend, and on all outreach program deliveries conducted in New Jersey. Failure to place the FEMA student ID number on the General Admissions Application Form will result on the application being rejected, and/or course completion credit from being issued.

Applications that do not have the required FEMA Student Identification Number will be returned, no exceptions will be made. Once a student has received their FEMA Student Identification (SID) Number it becomes their permanent identification number for all National Fire Academy programs. Please visit <https://cdp.dhs.gov/femasid/> to request a new ID# or to retrieve an existing ID.

After completing the FEMA Form 119 (short form), please print and have your Fire Chief or Agency Head indicate his or her approval by signing on line 19a. We strongly suggest that on line 12a of the application you indicate three courses of interest to you, since we cannot guarantee your first course selection. Example: (1) W347 (2) W349 (3) W459

Do not enter course numbers for classes that you are not willing to attend. If you previously completed one of the listed courses, you may not attend it again.

APPLICATION DEADLINE

The last date for receipt of post marked applications is **February 28, 2014**. No applications will be accepted after this deadline. Telephone reservation requests or faxed applications are not accepted. Applications that are incomplete or do not have the proper form of payment will be returned and must be resubmitted. If you need to withdraw from this program, you must notify Kean University. THE LAST DAY TO CANCEL REGISTRATION AND RECEIVE A REFUND IS **March 7, 2014**.

Local substitution of an applicant will not be permitted when someone withdraws.

ADMISSION CRITERIA

Applications will be considered on a first-come, first-served basis, provided the applicant has a minimum of three years' experience in the fire service and meets the National Fire Academy Student Selection Criteria listed for the course selected. The National Fire Academy can only provide accommodations for qualified students. Therefore, in order to diversify the group of attendees at this event, the New Jersey Division of Fire Safety requests that no more than six individuals from any one organization submit an application. Acceptance notices will be e-mailed by **March 21, 2014**.

PROFESSIONAL CONDUCT

Each individual has the personal responsibility to exhibit professional conduct while on the National Fire Academy campus and in the neighboring community. The New Jersey Division of Fire Safety has the responsibility and authority to monitor, and along with campus security, to take necessary action to correct unprofessional conduct. Any person that has sanctions taken against them will be reported to their agency chief. Serious infractions will cause the attendee to be sent home immediately and will result in the individual being banned from attending the New Jersey Weekend for two (2) years. Notify the Division of Fire Safety of a Cancellation If you submitted an application for New Jersey Weekend but cannot attend, you must notify Kean University, via e-mail at dkierych@kean.edu by **March 28, 2014**. Failure to do so will result in you being banned from attendance at the National Fire Academy for a period of two years. The only exception to this policy will be cases of emergency.

REGISTRATION

Registration takes place on **April 26, 2014** beginning at **4:00 p.m.**, in the lobby of Building C. Upon arrival, you must report to the National Fire Academy's check-in desk to obtain room assignments, key card, your meal ticket, and a name tag, which must be kept with you at all times. Photo identification is required at registration. If you drove a vehicle, you will be required to submit your vehicle's tag number. In order to avoid a delay in the registration process, please have this information readily available. You must also register in at the Division of Fire Safety's table.

ROOM ASSIGNMENTS

All lodging rooms are non-smoking and are randomly assigned by the National Fire Academy Admissions Office. Because of the random assignments of rooms, classmates may not be lodged together. Students may be lodged a distance from the registration building; for this reason we recommend luggage with wheels. The exchanging of rooms is not permitted. The reason for this is to maintain accountability. Dormitory Room Amenities: twin bed, linens, towels, daily housekeeping service, private bathroom, TV and clock radio, refrigerator, telephone with voice mail.

CAMPUS SECURITY REGULATIONS

Due to increased security precautions, students should bring two photo identifications to campus. Please have them with you; not in your luggage. If you do not have the photo ID's, you will not be permitted on campus. Due to heightened security requirements, security and law enforcement personnel may search you, your vehicle or your luggage. Alcohol is not allowed in lodging rooms or vehicles and will be confiscated. For your own protection, and to expedite your processing into the National Emergency Training Center, do not bring weapons of any kind to campus. Maryland law is very narrow in its definition of Law Enforcement Officers who may carry firearms.

PARKING

Participants must register their vehicle with the National Fire Academy upon arrival at 'C' Building, so have your license tag number with you, when you register. The National Fire Academy's staff will direct you on where you may park your vehicle. Please do not park in faculty/staff parking areas or other restricted zones. Refer to the campus map, which is available at the National Fire Academy's registration desk. The payment of parking tickets received is the sole responsibility of the student.

Participants may not take the same course at the National Fire Academy more than once.

CLASS ATTENDANCE AND CONDUCT

You are to report to the class that is listed on the Confirmation Notice that was e-mailed to you by the New Jersey Division of Fire Safety. Students will outline ideas and plans that they would like to apply when they return home. Students who take this 2-day program will be able to determine if public education is valued in their organizations and in their communities. All activities and scenarios used in this course are based on structure fires. As a Company Officer (CO) with the real possibility of being the first to arrive at an incident, the CO's initial decisions will have an impact throughout the entire incident. It is vital that they be able to make good management decisions that have a favorable impact on the eventual outcome. In addition to a possible role as the initial Incident Commander (IC), the CO may well be assigned a subordinate position within the ICS organization.
