OMB No. 2577-0226
(exp. 08/31/2009)

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Privacy Act Notice. The United States Department of Housing and Urban Development, Federal Housing Administration, is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. Information in PHA plans is publicly available.

Attachment A (nj912a01)

Development of the Streamlined Annual PHA Plan and the Housing Choice Voucher Program Administrative Plan for State Fiscal Year 2009 (07/01/2008 to 06/30/2009)

Two meetings with the members of the Resident Advisory Board were held to develop the program's Housing Choice Voucher Program Administrative Plan and the Streamlined Annual PHA Plan for state fiscal year 2009. The first meeting occurred on November 13, 2007. The agenda for this meeting included a review of the discretionary policies that were adopted by the program in the prior year, a discussion of a number of proposals that are part of the Section 8 Voucher Reform Act, and some background on the notices that were recently mailed to all program participants and owners concerning the Violence Against Women Act. One new proposal for the upcoming year was presented to the members. The program regulations provide the program with the discretion to adopt a preference for admission of single persons who are age 62 or older, or persons with disabilities over other single persons. While the program has had a selection preference for households that include a person with disabilities for many years, we proposed to revise our selection policy to include a preference for elderly persons over other single persons. The initial discussion of this topic with the members of the Resident Advisory Board was very supportive.

The second meeting with the members of the Resident Advisory Board occurred on January 18, 2008. At this meeting a written summary of the proposed changes to the Administrative Plan was distributed to each member in attendance, and each item was discussed with the members. In addition, written comments were solicited from the members on the proposed changes and also on any of the other discretionary policies of the program that are described in the Administrative Plan and the PHA Plan.

No changes have been made to the Streamlined Annual PHA Plan for state fiscal year 2009.

The following is a summary of the proposed changes to the Housing Choice Voucher Program Administrative Plan for state fiscal year 2009:

Chapter 1 Administrative Authority

A new definition will be added to this chapter:

Maximum family share at initial occupancy. At the time the program approves a tenancy for initial occupancy of a dwelling unit by a family with tenant-based assistance, and where the gross rent of the unit exceeds the applicable payment standard for the family, the family share must not exceed 40 percent of the family's adjusted monthly income.

Chapter 2 Performing Outreach to Eligible Households

When the program opens a waiting list, we must publish a public notice in the newspaper with the greatest circulation in the jurisdiction. This notice (Exhibit 2-1) has been amended to state that the program will accept a photo-copy of the *Application for Housing Assistance*, that is part of the public notice, but no other variant form of the application will be accepted.

Chapter 5 Selection of Households for Participation

The federal regulations (24 CFR §982.207, Waiting list: Local preferences in admission to program) provide the program with the discretion to adopt a preference for admission of single persons who are age 62 or older, or persons with disabilities over other single persons. The program intends to add this feature to its selection policy.

Chapter 11 Certifying and Recertifying Household Income

If a household's annual income changes, the head of household must "report" the change in income to the program within 10 workdays. The *Guide to the Housing Choice Voucher Program* (Appendix B) states that the household must report any changes to the program "in writing" within 10 workdays (see page 9 and page 12). The opening paragraph of Chapter 11 will be revised to also make it clear that the household not only has a reporting obligation but that this information should be communicated in writing to the program. A similar edit will be made to the *Certification of No Income* form (Exhibit A-3 of Appendix A: *Determination of Tenant Rent to Owner*).

Chapter 16 Informal Review Procedures for Applicants and Informal Hearing Procedures for Participants

The Administrative Plan includes a form letter to acknowledge the receipt of a household's request to withdraw from the program (Exhibit 16-7). This letter will be edited to advise the household that should they decide to rescind their request they must contact the program "within 10 workdays" rather than "immediately."

Chapter 17 Payment Standard Amounts

The program must establish a payment standard amount for each unit size within the "basic range" (between 90 percent and 110 percent) of the published fair market rent for each market area. The program determines the appropriate payment standard amounts for each unit size in each market area based upon a review of the gross rents of all assisted units and the level or degree of program participants' rent burden. Rent burden is defined as the percentage of a participant's adjusted monthly income contributed toward their total tenant payment. A household was regarded as rent burdened if they were paying more than 35 percent of their adjusted monthly income toward their total tenant payment. The program is now using a range of values rather than a simple average:

- 1 = 30% and below
- 2 = 31% to 40%
- 3 = 41% to 50%
- 4 = Over 50%

Chapter 18 Homeownership Program

The program proposes to raise the minimum income requirement to \$20,800 of earned income (see page 18-4). The minimum income requirement for elderly or disabled persons, however, will continue to be based on 12 times the monthly SSI/SSD amount for the State of New Jersey.

All households moving to the jurisdiction of the DCA from another housing agency must be assisted by our Housing Choice Voucher Program for one year before they are eligible to participate in the Homeownership Program. This policy (see page 18-8) will also apply to a household that used the portability option to move to another jurisdiction and is now returning to the DCA's Housing Choice Voucher Program.

Tenants who have been deemed mortgage ready must contact DCA staff every 6 months regarding their progress in finding a house. If the tenant has not entered into a contract of sale within one year of the issuance of the voucher, they must attend a refresher one-on-one counseling session (see page 18-5).

Public Notice

On March 19, 2008, a public notice was published in The Star Ledger, The Trenton Times, and The Atlantic City Press to announce the scheduling of a public hearing on March 24, 2008 to discuss the proposed changes to the Housing Choice Voucher Program Administrative Plan. The public hearing was also announced on the program's Web site: www.nj.gov/dca/dh

Public Hearing

A public hearing was held on March 24, 2008 to discuss the Department of Community Affairs' Streamlined Annual PHA Plan, the Housing Choice Voucher Program Administrative Plan, and the Consolidated Plan. The Annual PHA Plan and the Administrative Plan describe the administration of the Housing Choice Voucher Program in state fiscal year 2009. The Consolidated Plan is the department's action plan for the Community Development Block Grant Program, the Emergency Shelter Program, the HOME Investment Partnerships Program, and the Housing Opportunities for Persons with AIDS Program. The Consolidated Plan outlines the department's goals and initiatives for these programs in federal fiscal year 2008.

A number of comments were made on the Consolidated Plan. Since the March 24th meeting was a developmental meeting for the programs covered by the Consolidated Plan, a second public hearing is scheduled for May 7, 2008 to discuss the final draft of this document.

No comments were made at the March 24th public hearing concerning the proposed changes to the Housing Choice Voucher Program. One written comment was received from Legal Services of New Jersey. The comment suggested modification to the proposed change to Chapter 11 (Certifying and Recertifying Household Income) which requires written notification of a change in income. Specifically, the commenter's suggested modification is that upon receiving verbal notification regarding a change in income, the program would memorialize the change in writing and

send a summary of the change to the family. In the interest of program integrity and assuring that the household meets their obligation to report changes in income, the program will retain the revision to the Plan which requires households to provide written notification of a change in income.
