PO Box 800
Trenton, NJ 08625-0800

These notices shall satisfy two separate but related procedural requirements for activities to be undertaken by the New Jersey Department of Community Affairs (DCA).

Per 24 CFR 58.33, the combined Notice of Finding of No Significant Impact and Notice of Intent to Request Release of Funds (FONSI/NOI-RROF) will be published simultaneously with the submission of the Request of Release of Funds (RROF). The funds are needed on an emergency basis due to a declared disaster from the impacts of Superstorm Sandy, which made landfall on October 29, 2012. As a result, the comment periods for the FONSI/NOI-RROF and RROF have been combined.

REQUEST FOR RELEASE OF FUNDS

On or about November 28, 2014, the DCA will submit a request to the U.S. Department of Housing and Urban Development (HUD) for the release of Federal funds under the Community Development Block Grant Program (CDBG) pursuant to the Disaster Relief (DR) Appropriations Act of 2013 (Public Law 113-2, approved January 29, 2013) for the Blue Acres (BA) Acquisition Program. DCA expects to fund the project using approximately \$8,700,000 of BA funds.

The following information pertains to this project:

Project Title: BA Old Bridge

Location: Multiple Locations, Old Bridge Township, Middlesex County, NJ

Estimated Cost: \$8,700,000

Project Description: The proposed project would acquire 29 residential properties in Old Bridge Township in Middlesex County on a voluntary basis and demolish, remove, and dispose of all man-made features on the properties, such as dwellings, foundations, sheds, garages, fences, and driveways. The properties would be graded and left in a stabilized condition (i.e., grass growth covering the property). The acquired properties would be permanently preserved as open space and serve as natural buffers against future storms and floods.

FINDING OF NO SIGNIFICANT IMPACT

An Environmental Assessment has been prepared and DCA has determined that this project will have no significant impact on the human environment; therefore, an Environmental Impact Statement (EIS) under the National Environmental Policy Act of 1969 (NEPA) is not required. The reason for the decision not to prepare an EIS is that no significant impacts or hazards were identified in the course of the environmental review. Additional project information is contained in the Environmental Review Record on file at the New Jersey Department of Community Affairs, Sandy Recovery Division, 101 South Broad Street, PO Box 800, Trenton, NJ 08625-0800. The record is available for review and may be examined or copied weekdays 9 A.M. to 5 P.M. or can be viewed online at <http://www.nj.gov/dca/divisions/sandyrecovery/review/>.

PUBLIC COMMENTS

Any individual, group, or agency disagreeing with this determination or wishing to comment on this project may submit written comments to Stacy Bonnaffons, Assistant Commissioner, Sandy Recovery Division, New Jersey Department of Community Affairs, 101 South Broad Street, PO Box 800, Trenton, NJ 08625-0800 or online at <http://www.nj.gov/dca/divisions/sandyrecovery/review/> and to Tennille Smith Parker, DRS, Acting Division Director, HUD, 451 Seventh Street SW, Washington, D.C. 20410. All comments received by December 13, 2014 will be considered by DCA. Comments should specify which Notice (Notice of Finding of No Significant Impact [FONSI] or notice of Intent to Request Release of Funds [NOI-RROF]) they are addressing.

RELEASE OF FUNDS

DCA certifies (on or about December 17, 2014) to HUD that Richard E. Constable, III, in his capacity as Commissioner of DCA consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD's approval of the certification satisfies its responsibilities under the National Environmental Policy Act and related laws and authorities, and allows DCA to use Program funds.

OBJECTIONS TO RELEASE OF FUNDS

HUD will accept objections to its release of funds and DCA's certification for a period of fifteen (15) days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of DCA; (b) DCA has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR Part 58; (c) the grant recipient has committed funds or incurred costs not authorized by 24 CFR Part 58 before approval of a release of funds by HUD; or (d) another Federal agency, acting pursuant to 40 CFR Part 1504, has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58) and shall be addressed to Tennille Smith Parker, DRS, Acting Division Director, HUD, 451 Seventh Street SW, Washington, D.C. 20410. Potential objectors should contact HUD to verify the actual last day of the objection period.
