**Subject:** BA Ocean/Wall

Morning Courtney,

We have completed the prescreening process and are ready to task out to our contractors next week. As long as we are still on track for receipt of the ROEs (11/5 for Ocean and 11/9 for Wall) we could Task the work out to our contractors and for ROEs to do the site inspection soon after. Are you able to e-mail your files?

**Screening Results – Ocean Twp.**

Historic Properties Exemption Zone (above-ground) – **None of the parcels are in the green exemption zones.**

Historic Archaeological Site Grid – None of the properties are within an archaeological grid.
