OCEAN COUNTY

April 29, 2016

New Jersey Department of Community Affairs
101 South Broad Street
PO Box 800
Trenton, NJ 08625-0800

This Notice is related to Federal assistance provided in response to the Presidentially-declared disaster, Superstorm Sandy. This notice shall satisfy the procedural requirements for activities to be undertaken by the New Jersey Department of Community Affairs (DCA).

Per 24 CFR 58.33, the Notice of Intent to Request Release of Funds (NOI-RROF) will be published simultaneously with the submission of the Request of Release of Funds (RROF). The funds are needed on an emergency basis due to a declared disaster from the impacts of Superstorm Sandy, which made landfall on October 29, 2012. As a result, the comment periods for the NOI-RROF and RROF have been combined. Commenters may submit comments to DCA and objections to the U.S. Department of Housing and Urban Development (HUD) to ensure they will receive full consideration.

REQUEST FOR RELEASE OF FUNDS

On or about May 9, 2016, the DCA will submit a request to HUD for the release of Federal funds under the Community Development Block Grant Program (CDBG) pursuant to the Disaster Relief Appropriations Act of 2013 (Public Law 113-2, approved January 29, 2013) for the Low to Moderate Income (LMI) Homeowner Rebuilding Program. DCA expects to fund the project using approximately \$50,447.90 of LMI funds.

PROJECT DESCRIPTION

Application ID number: LMI0002088MF

Project Title: LMI0002088MF

Location: 18 S. West Avenue, Beach Haven, Ocean County, New Jersey 08008

The total estimated project cost is \$53,715.32.

The project will repair flood-related damages incurred as a result of Superstorm Sandy. The project site is a 1,772 square foot single unit within a multi-family building consisting of 7 units. This application is for the subject property only; no information was provided regarding damage to the other units. The building was built in 1985. The acreage is identified as 0.0548 (2,387 square feet) on the tax records and is entirely within the floodplain. The work includes mold clean up, debris removal, deck step repairs, electrical, HVAC, and windows. The tax card states that the pre-storm (2012) assessed value of the structure was \$201,400. The cost to repair is 26.6% of the value of the home, and 3.8% of the estimated value of the entire multi-family structure as a whole (assuming each of the seven units was valued at \$201,400 in 2012);

therefore, the project does not meet the threshold for substantial rehabilitation (greater than 50%) and elevation is not required.

The Responsible Entity, DCA, has determined that the proposed project is Categorically Excluded Subject to §58.5 authorities per 24 CFR 58.35(a). As such, a Statutory Checklist has been completed in order to determine whether the project is in compliance with the authorities cited at 24 CFR§58.5.

Additional project information is contained in the Environmental Review Record on file at the New Jersey Department of Community Affairs, Sandy Recovery Division, 101 South Broad Street, Trenton, NJ 08625-0800. The record is available for review and may be examined or copied weekdays 9 A.M. to 5 P.M. or can be viewed online at <http://www.nj.gov/dca/divisions/sandyrecovery/review/>.

ENVIRONMENTAL CERTIFICATION

DCA certifies to HUD that Charles A. Richman, in his capacity as Commissioner of DCA consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD's approval of the certification satisfies its responsibilities under the National Environmental Policy Act and related laws and authorities, and allows DCA to use CDBG-DR funds.

OBJECTIONS TO RELEASE OF FUNDS

HUD will accept objections to its release of funds and DCA's certification for a period of seven (7) days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of DCA; (b) DCA has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR Part 58; (c) the grant recipient has committed funds or incurred costs or undertaken activities not authorized by 24 CFR Part 58 before approval of a release of funds by HUD; or (d) another Federal agency, acting pursuant to 40 CFR Part 1504, has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58.76) and shall be addressed to Tennille Smith Parker, DRS,

Acting Division Director, HUD, 451 Seventh Street SW, Washington, D.C. 20410. Potential objectors should contact HUD to verify the actual last day of the objection period.
