Hello Krista,

I reviewed the 3 subject locations and I don't anticipate any conflicts with endangered or threatened wildlife.

Thanks,  
Kathy

**Subject:** CDBG-DR Landlord Rental Repair Program - Atlantic County - Endangered Species Review

Good Afternoon Mr. Woerner,

I am in the process of completing the environmental assessment for a Community Development Block Grant-Disaster Recovery (CDBG-DR) project for the Landlord Rental Repair Program (LRRP) – Atlantic County. The proposed project would reconstruct five multi-family properties in Atlantic County. Three of the proposed activity sites have a “Yes” in the parcel centroid for state listed endangered species. I have attached a shapefile for your review.

No Division of Land Use Regulation (DLUR) permits are required for these sites.

Please let me know if you have any questions. Thank you and have a great day!

Sincerely,  
Krista Goodin
