This notice shall satisfy the procedural requirements for activities to be undertaken by the New Jersey Department of Community Affairs (DCA).

Per 24 CFR 58.33, the Notice of Intent to Request Release of Funds (NOI-RROF) will be published simultaneously with the submission of the Request of Release of Funds (RROF). The funds are needed on an emergency basis due to a declared disaster from the impacts of Superstorm Sandy, which made landfall on October 29, 2012. As a result, the comment periods for the NOI-RROF and RROF have been combined.

REQUEST FOR RELEASE OF FUNDS

On or about October 31, 2014, the DCA will submit a request to the U.S. Department of Housing and Urban Development (HUD) for the release of Federal funds under the Community Development Block Grant Program (CDBG) pursuant to the Disaster Relief (DR) Appropriations Act of 2013 (Public Law 113-2, approved January 29, 2013) for the Neighborhood Enhancement Program (NEP). DCA expects to fund the project using approximately \$894,395 of NEP funds.

The following information pertains to this project:

Project Title: Pleasantville Housing and Redevelopment Corp

Location: 1104 Harrison Ave, 230 W Park Ave, 621 Cresson Ave, and 704 Cresson Ave,
Pleasantville, NJ

Estimated Cost: \$928,395

Project Description: The project involves the purchase of four separate lots and the construction of four single-family homes to be made available to low to moderate income households for rent. The new homes will be approximately 1250 square feet with three bedrooms and 1.5 bathrooms.

The NEP provides funding to stabilize “threatened but viable” neighborhoods, through the creation of affordable housing, and is a component of local plans to invest in and rebuild these communities. The NEP funds the rehabilitation or re-use of abandoned, foreclosed and vacant housing, structures or lots and addresses the shortage of affordable housing caused by the storm, while at the same time returning blighted buildings to viability. \$30,000,000 in CDBG-DR funds

have been allocated to this program. The program will provide up to \$250,000 in subsidy per unit (based on need and number of bedrooms), and the maximum award is \$1,750,000.

The Responsible Entity, DCA, has determined that the proposed project is Categorically Excluded SUBJECT to §58.5 authorities per 24 CFR 58.35(a)(4)(i). As such, a Statutory Checklist has been completed in order to determine whether the project is in compliance with the authorities cited at 24 CFR§50.4 and 58.5.

Additional project information is contained in the Environmental Review Record on file at the New Jersey Department of Community Affairs, Sandy Recovery Division, 101 South Broad Street, PO Box 800, Trenton, NJ 08625-0800. The record is available for review and may be examined or copied weekdays 9 A.M. to 5 P.M. or can be viewed online at <http://www.nj.gov/dca/divisions/sandyrecovery/review/>.

RELEASE OF FUNDS

DCA certifies (on or about November 7, 2014) to HUD that Richard E. Constable, III, in his capacity as Commissioner of DCA consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD's approval of the certification satisfies its responsibilities under the National Environmental Policy Act and related laws and authorities, and allows DCA to use Program funds.

OBJECTIONS TO RELEASE OF FUNDS

HUD will accept objections to its release of funds and DCA's certification for a period of seven (7) days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of DCA; (b) DCA has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR Part 58; (c) the grant recipient has committed funds or incurred costs not authorized by 24 CFR Part 58 before approval of a release of funds by HUD; or (d) another Federal agency, acting pursuant to 40 CFR Part 1504, has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58) and shall be addressed to Tennille Smith Parker, DRS, Acting Division Director, HUD,

451 Seventh Street SW, Washington, D.C. 20410. Potential objectors should contact HUD to verify the actual last day of the objection period.
