Subject: RE: NEP0233 127 Valley Road in Montclair

Larry,

We have determined that a Phase 1/ 2 is unnecessary. The fill ports that are active connect to tanks in the basement of the building. (See the attached document.) We have sent the information to Nelson Rivera of HUD and are waiting for his ASD determination.

Have all of the other consultations been completed for this project, and will it be ready to get submitted to our QA team if it gets cleared by HUD?

Thank you!

Laura Henne

Laura,

Please find attached the scope of work for the Phase1/2 work for the Montclair property. Please let me know if you have any questions.

Larry
