

FIELD INSPECTION REPORT

Application ID: RRE0031126MF
Applicant Name: Tapan k. Day
Project Name/Location: 120 North Texas Avenue, Unit RR 3
Atlantic City, Atlantic County
Date of Field Inspection: August 31, 2015
Field Inspector: Beth Williams, Tetra Tech

Field Notes Summary:

Ms. Beth Williams, Tetra Tech, visited the proposed project located at 120 North Texas Avenue, Unit RR 3 in Atlantic City, Atlantic County on August 31, 2015, to note general project site conditions and document such conditions with photographs. Ms. Williams observed only the exterior of the damaged unit from grassy yard or paved areas which surround the multifamily building containing the damaged unit. Ms. Williams did not access the interior of the structure during the field inspection. Ms. Williams also took note of properties which surround the project site. No recognized environmental conditions (RECs) were observed on the project site or surrounding properties.

Ms. Williams walked the project site and viewed surrounding properties from publicly accessible areas in an effort to identify large aboveground storage tanks (ASTs) within one mile of the project site. Ms. Williams conducted a windshield reconnaissance by vehicle in an effort to identify large ASTs within one mile. No large ASTs were identified during the field inspection. In addition, Google Earth aerial imagery within one mile of the project site was reviewed. No large ASTs were identified during the Google Earth aerial imagery review.
