Dear Ms. Brooks:

Please see the answers to your inquiries below. Also, kindly note my new firm name and email. If you need anything else, feel free to email or call me.

Kind regards,  
Alexandra

Good Morning Mrs. Garcia / Mrs. Valianti,

Thank you for sending the Providence Seashore House application for environmental review. NJ Department of Environmental Protection have reviewed the file and require answers to the following questions in order to task out the application:

1. Is excavation required for an elevator pit? **No, it is not going to basement/crawl space.**
2. Will regarding, paving work, runoff control, and/or playground repair create new impervious surface area? If so, what is the area of the new impervious surface? **None of this being done. Footprint will not be changed and no repair will be done. There will be some minor excavation for the repair of a parking lot potholes, but there will not be any additional impervious surfaces created. The repair of the potholes is pending during the remaining months of this 2014 calendar year, no trees will be removed.**
3. What is the construction schedule for outside work? Will any trees be removed during grubbing/clearing? **No.**
4. What is the size of the new outdoor storage sheds? **12x12**
