DETERMINATION OF LEVEL OF REVIEW

Applicant Name: Yank Marine Services, LLC Program Year: 2015

Project Location: 487 Main Street, Dorchester, Maurice River Twp, Cumberland County, NJ

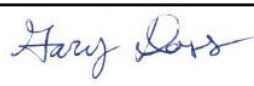

Project Description (*Attach additional descriptive information, as appropriate to the activity, including narrative, maps, photographs, site plans, budgets and other information.*):

The proposed project will involve the demolition of an existing dilapidated storm-damaged pier, construction of two new 180' by 20' concrete decks to support a new 200-ton boat lift (ultimately to be replaced by a new 600-ton boat lift), construction of a new 175' by 6' berthing pier and approximately 5,000 square feet of dredging to create new intertidal/subtidal shallows. The project will also involve the installation of an approximately 3,100 square foot wetland mitigation area. The wetland mitigation area is a 1:1 replacement of on-site wetlands that will be disturbed as a result of the proposed dredging activities. The mitigation area will be located adjacent to the proposed new berthing pier. A complete list of project activities can be found within the approved permits

The subject project has been reviewed pursuant to HUD regulations 24 CFR Part 58, "Environmental Review Procedures for Entities Assuming HUD Environmental Responsibilities," and the following determination with respect to the project is made:

- Exempt** from NEPA review requirements per 24 CFR 58.34(a)(____)
- Categorically Excluded NOT Subject** to §58.5 authorities per 24 CFR 58.35(b)(____)
- Categorically Excluded SUBJECT** to §58.5 authorities per 24 CFR 58.35(a)(____)
(A Statutory Checklist for the §58.5 authorities is attached.)
- An **Environmental Assessment** (EA) is required to be performed. (An Environmental Assessment performed in accordance with subpart E of 24 CFR Part 58 is attached.)
- An **Environmental Impact Statement** (EIS) is required to be performed.

The ERR (see §58.38) must contain all the environmental review documents, public notices and written determinations or environmental findings required by Part 58 as evidence of review, decision making and actions pertaining to a particular project. Include additional information including checklists, studies, analyses and documentation as appropriate.
