PO Box 800

This Notice is related to Federal assistance provided in response to the Presidentially-declared disaster, Superstorm Sandy. This notice shall satisfy the procedural requirements for activities to be undertaken by the New Jersey Department of Community Affairs (DCA).

Per 24 CFR 58.33, the Notice of Intent to Request Release of Funds (NOI-RROF) will be published simultaneously with the submission of the Request of Release of Funds (RROF). The funds are needed on an emergency basis due to a declared disaster from the impacts of Superstorm Sandy, which made landfall on October 29, 2012. As a result, the comment periods for the NOI-RROF and RROF have been combined. Commenters may submit comments to DCA and objections to the U.S. Department of Housing and Urban Development (HUD) to ensure they will receive full consideration.

REQUEST FOR RELEASE OF FUNDS

On or about July 27, 2015, the DCA will submit a request to HUD for the release of Federal funds under the Community Development Block Grant Program (CDBG) pursuant to the Disaster Relief Appropriations Act of 2013 (Public Law 113-2, approved January 29, 2013) for the Stronger New Jersey Business Loan (SBL) program. DCA expects to fund the project using approximately \$129,367.00 of SBL funds.

PROJECT DESCRIPTION

Application ID number: SBL618121
Project Title: Black Dog Café Deli
Location: 2205 South Bay Avenue, Beach Haven, NJ 08008
The total estimated project cost is \$129,367.00.

The purpose of this grant application is to providing funding for the renovation of the Black Dog Café Deli, located at 2205 South Bay Avenue in Beach Haven, NJ, to its original pre-storm condition. The existing building is a two-story, wood frame structure. Project activities will include purchase of new furnishings (indoor/outdoor seating, signs, cabinets, counter tops, fans and HVAC equipment) and exterior (roof, windows, entryways, sign placement, and landscaping) and interior (bathroom, kitchen, drywall, electric and gas lines) renovation work. No structural changes to the existing building are proposed. The proposed project would not involve a change in the footprint of the structure or area of impervious coverage. CDBG funding of this action is critical in re-establishing local businesses and employment opportunities that were impacted by Superstorm Sandy.

The Responsible Entity, DCA, has determined that the proposed project is Categorically Excluded Subject to §58.5 authorities per 24 CFR 58.35(a). As such, a Statutory Checklist has

been completed in order to determine whether the project is in compliance with the authorities cited at 24 CFR§58.5.

Additional project information is contained in the Environmental Review Record on file at the New Jersey Department of Community Affairs, Sandy Recovery Division, 101 South Broad Street, Trenton, NJ 08625-0800. The record is available for review and may be examined or copied weekdays 9 A.M. to 5 P.M. or can be viewed online at <http://www.nj.gov/dca/divisions/sandyrecovery/review/>.

HUD will accept objections to its release of funds and DCA's certification for a period of seven (7) days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of DCA; (b) DCA has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR Part 58; (c) the grant recipient has committed funds or incurred costs or undertaken activities not authorized by 24 CFR Part 58 before approval of a release of funds by HUD; or (d) another Federal agency, acting pursuant to 40 CFR Part 1504, has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality.
