

RECORD OF COMMUNICATION

Date: April 9, 2014

Time: 5:30 pm Central Standard Time

URS Person(s): David Sessions, Staff Engineer, Baton Rouge

Person(s) Contacting: Mohammad Sharif

Type of Contact: Telephone call

Project: New Jersey Landlord Rental Properties Program

Re: Heat, Hot Water, and Fuel Storage Tanks

Summary

I called Mohammad Sharif and asked how the apartment building will receive heat and hot water and to see if there would be any fuel storage tanks on site. Mr. Sharif said that heat and hot water would be fueled by natural gas and that they would not have any fuel storage tanks on site.
