Dave Jenkins, Chief  
New Jersey Division of Fish and Wildlife  
Endangered and Nongame Species Program  
501 E. State Street, Mail Code: 501-03  
Trenton, New Jersey 08625-0420

MAY 16 2013

Robert Cartica, Chief  
New Jersey Division of Parks and Forestry  
Natural Heritage Program  
501 E. State Street, Mail Code: 501-04  
Trenton, New Jersey 08625-0420

Dear Mr. Jenkins and Mr. Cartica:

The U.S. Fish and Wildlife Service (Service), New Jersey Field Office, has been working closely with the New Jersey Department of Environmental Protection's (NJDEP) Division of Fish and Wildlife, Endangered and Nongame Species Program (ENSP), and Division of Parks and Forestry, Natural Heritage Program (NHP), to clarify and streamline our environmental review processes. We have had numerous recent discussions, in-person, by phone, and by email. You indicated that the NJDEP is acting on behalf of the Department of Housing and Urban Development (HUD) with respect to compliance with the Endangered Species Act of 1973 (87 Stat. 884, as amended; 16 U.S.C. 1531 et seq.), the Bald and Golden Eagle Protection Act of 1940 (BGEPA) (54 Stat. 250 as amended, 16 U.S.C. 668-668d), and the National Environmental Policy Act (83 Stat. 852; 42 U.S.C. 4321 et seq.). As the non-Federal representative, the NJDEP's ENSP can make the 'no effect' determination for the purposes of ESA informal consultation for wildlife, pursuant to 50 CFR 402.08. The NJDEP's NHP has the same responsibility for plants.

For Sandy-related projects, HUD activities generally rebuild or repair within the disturbed area of the previously developed site. ENSP and NHP have determined that proposed HUD activities outside piping plover (*Charadrius melodus*) habitat will have 'no effect' on federally listed species, including plants. Within plover habitat, ENSP and NHP will continue to review individual projects and will consult with the Service when either agency determines a project 'may affect' federally listed species.

Bald eagles (*Haliaeetus leucocephalus*) will be managed in accordance with the National Bald Eagle Management Guidelines (Guidelines) and all applicable State regulations. A link to the Guidelines is available on the NJFO's web site at <http://www.fws.gov/northeast/njfieldoffice/Endangered>. Consistent with these guidelines, ENSP has concluded and USFWS concurs, that activities within the previously developed are not likely to disturb bald eagles.

The Service acknowledges NJDEP serving as HUD's non-Federal representative for Sandy-related projects. Please contact Carlo Popolizio at (609) 383-3938, extension 32, if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "J. Eric Davis Jr." with a stylized, cursive script.

J. Eric Davis Jr.  
Field Supervisor
