NEW JERSEY DEPARTMENT OF COMMUNITY AFFAIRS

PROGRAMS BOOK

Richard J. Codey
Acting Governor

Susan Bass Levin
Commissioner

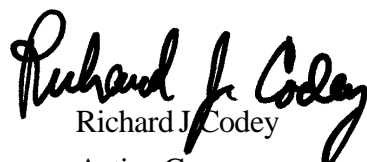

Dear Friend,

A large part of what we do everyday revolves around providing important services for New Jersey's citizens. From embracing our Hispanic community to building affordable housing units throughout the state; from redeveloping brownfields to revitalizing our downtowns; and from preserving open spaces to advocating for women's rights, the Department of Community Affairs (DCA) offers a plethora of resources, programs and support for New Jersey's communities.

We can plan a town, build it, inspect it, protect it; make it safe; provide housing for its residents; work with its elected officials; and advocate for its citizens. Here at DCA, we are focused on the people and places of New Jersey - to achieve progress and improve our quality of life.

Included in this Program Book are descriptions and contact information for every program we offer to both organizations and individuals. We hope you find this Program Book a useful resource and encourage you to contact DCA for more information.

With all good wishes,

Richard J. Codey
Acting Governor

Susan Bass Levin
Commissioner
