

**EXHIBIT A GOALS, OBJECTIVES AND INDICATORS**

**2014-2015**

**Instructions:** Providers are required to adopt the state mandated goals and objectives. Each provider must create one or more intervention specific performance indicators for each of the mandated goals and objectives. Performance indicators are quantifiable performance measurements used to define success factors and measure progress toward the achievement of your intervention’s goal and are directly correlated to the implementation activities created in the project activity plan. Applicant responses to this section must be submitted in the **Goals, Objectives & Indicator section.**
