Camp may begin on June 15, 2015 through August 31, 2015.

- 2. Last year, any person (volunteers/staff) who was in direct contact and/or interaction with camp participants received trainings as defined in the RFQ. I am writing to see if volunteers who worked with campers last year need to be trained yearly or if they have already attended a previous training would they need to be retrained every year?**

Training must be completed prior to services being rendered. Training must be updated as needed.
