Deliver proposal to: 50 East State Street, 3rd Floor
Trenton, NJ or Online

- 1. Please clarify: The website indicates three FSC's in Hudson County (Kearny, Union City and Jersey City) but the RFP references only two (on page 1).**

Currently DCF has 2 State-funded Family Success Centers (FSCs) in Hudson County, one in Kearny and another in Union City. The DCF website is being updated and will reflect the same information.

- 2. Since Middlesex County has a Mobile Family Success Center that works really well is it possible for the Hudson County RFP to consider a Mobile FSC as well?**

No, this RFP is not for a mobile Family Success Center. This RFP will seek to establish a community based FSC in Jersey City.

- 3. Does DCF have a specific section of Jersey City that they are trying to serve? Is there a specific area that would be preferable for the FSC to be located in?**

DCF seeks to establish a FSC in Hudson County that will serve communities of Jersey City. It is important to note that the center's location should be within close proximity to families, easily accessible for community members via walking and public transportation and in or

nearby residential areas. Specific location of the FSC should be in accordance with the community needs identified.

- 4. Most recent Audit or Financial Statement-Do we not need to submit our most recent audit/financial statement with our application? In previous DCF FSC RFP's, agencies have been asked to include these as part of appendices. This RFP does not include it on the list of supporting documents requested.**

Most recent Audit or Financial Statement is no longer required.
An appendices checklist is attached eliminating this item.

- 5. Appendix D (Performance Outcomes)-There are two charts provided in the RFP (pages 32 and 33). Do we have to complete activities for both or pick one of the two formats?**

Please choose either page 32 or 33 to fill out. Page 32 includes activities to reach certain midterm outcomes. Page 33 additionally has space for you to enter resources and long term outcomes.
