Open Market Emissions Trading Registry Address Change
Notice of Administrative Changes
N.J.A.C. 7:27-30.3

TAKE NOTICE that the designated operator of the Registry serving New Jersey's Open Market Emissions Trading (OMET) program (Mosakin Corporation) has a new name and mailing address.

Mosakin's selection as the Registry operator was announced in the June 2, 1997 New Jersey Register (see 29 N.J.R. 2561). Persons who participate in the OMET program need the Registry operator's address in order to submit copies of notices required by the OMET rule. Mosakin has recently changed its name and mailing address. Through this notice, Mosakin's name and mailing address given at N.J.A.C. 7:27-30.3(d) in the OMET rule is hereby corrected.

This notice also changes the term "chapter" used in N.J.A.C. 7:27-30.3(d) to the more specific term "subchapter." Submittals to the Registry are required under N.J.A.C. 7:27-30 (Subchapter 30) and nowhere else under Chapter 27.

Persons who have questions or who would like further information regarding the OMET program, the Registry, or this notice should contact Allan H. Willinger by e-mail at awilling@dep.state.nj.us; or by telephone at (609) 777-1345.
