## A Watershed-Wide Cleanup

### October 18, 2012

"I thank these volunteers and commend them for their dedication and spirit of cooperation in helping to restore Barneгат Bay, an ecological treasure that is important to all of New Jersey."

DEP Commissioner Bob Martin  
*about the volunteers at the 2011 Blitz*

The Barneгат Bay Blitz is an event led by the NJDEP in partnership with the NJ Clean Communities Council. Through the Blitz, citizens, students, businesses and local governments come together to help clean up and foster a greater appreciation for the Barneгат Bay and its 660 square mile watershed.

In the past two Blitz events, 6,800 volunteers helped to clean up 3,201 bags of trash and recyclables, filled 40 dumpsters and Bagsters, and educated and engaged students from over 57 schools.

On October 18 we will raise the bar by collecting even more trash and engaging even more volunteers! WE NEED YOUR HELP!

Individuals, schools, community organizations and businesses can sign up to participate at the Blitz by filling out the online volunteer pledge form at [www.nj.gov/dep/barneгатbay/pledge.htm](http://www.nj.gov/dep/barneгатbay/pledge.htm).
