## General Information

---

The DEP Bulletin is an information service provided by the New Jersey Department of Environmental Protection. In compliance with the Rules and Regulations Governing 90 Day Construction Permits (NJAC 7:1C-1.1 et seq.) this semi-monthly publication contains a list of construction permit applications recently filed or acted upon by the DEP. Using the Application Milestone Codes located on the inside front cover, interested persons can determine the status of Coastal Area Facility Review Act (CAFRA) permits, Federal Consistency Activity permits, Freshwater Wetlands Individual and Statewide General permits, General Groundwater Petroleum Products Cleanup permits, Open Water Fill permits, Solid Waste Facility permits (SWF), Flood Hazard Area (FHA) permits, Tidal Wetlands permits, Waterfront Development permits and Treatment Works Approvals (TWA).

In addition, a calendar of Events of Interest and a Schedule of Public Hearings is provided. The public hearings listed do not, however, constitute an official notice. Environmental Impact Statements acted upon during the period are also shown. Additional information concerning the permit applications can be obtained by calling the project manager at the appropriate office listed on the inside back cover.

Public Hearings are held for the purpose of obtaining input and reaction to a proposed rule, regulation, or new program. Some hearings may be mandated by law. Generally their scope of impact is statewide or of broad general interest and open to the public.

Contested Case Hearings are held between the State and a particular party involving an application, enforcement violation or an appeal. Interest in these hearings is generally limited to those directly involved.

DEP Events of Public Interest include public hearings, council meetings, workshops, public information meetings, and exams.

**Department of Environmental Protection  
Green Acres Program  
Notice of Public Hearings on Proposed Auction of Surplus Residential Property in the Township  
of Delaware, Hunterdon County**

**Take Notice** that in accordance with *N.J.S.A. 13:1D-51* through *-58*, the State of New Jersey, Department of Environmental Protection, Green Acres Program, will hold two **public hearings** to seek comments on the proposed auction of surplus residential property in the Township of Delaware, Hunterdon County.

The property proposed for auction is located within 64.28 acres of property acquired by the Green Acres Program in 2007 for the Division of Parks and Forestry as an addition to the Delaware and Raritan Canal State Park. The property is known locally as the Holcombe House or Stavola Estate and contains one residence and several outbuildings. The street address for the property to be auctioned is 1680 Daniel Bray Highway (NJ Route 29) Lambertville, New Jersey 08530. The Department proposes to auction approximately six acres within Block 59, part of Lot 11 in the Township of Delaware, Hunterdon County along with the following structures:

- a 2-story frame and stone farm house
- a 2-story barn
- a 1-story barn with silo attached
- a 1-story shed
- two corn cribs

A copy of a report analyzing the proposed transaction, including photographs of the structures and a more detailed description of each structure, is available online at [www.nj.gov/dep/greenacres/notices.html](http://www.nj.gov/dep/greenacres/notices.html).

The exact lot size, minimum bid price and other auction conditions will be determined in consultation with the Department of Treasury prior to the auction. As a condition of sale, a "no further subdivision" restriction will be placed on the entire lot and a historic preservation restriction will be placed on the main residence and other associated structures. The department also anticipates imposing an archaeological restriction on a portion of the property.

As required by *N.J.S.A. 13:1D-57*, the proceeds of the sale will be returned to the Garden State Preservation Trust Fund (or other appropriate Green Acres bond fund) for use in future open space acquisitions. State House Commission approval is required for this proposal. If approved, the Department anticipates that the auction will occur in fall 2013.

Thursday, February 21, 2013 at 6:30 PM at the  
Delaware Township Municipal Building  
570 Rosemont-Ringoes Road, P.O. Box 500  
Sergeantsville, NJ 08557
