General Information

The DEP Bulletin is an information service provided by the New Jersey Department of Environmental Protection. In compliance with the Rules and Regulations Governing 90 Day Construction Permits (NJAC 7:1C-1.1 et seq.) this semi-monthly publication contains a list of construction permit applications recently filed or acted upon by the DEP. Using the Application Milestone Codes located on the inside front cover, interested persons can determine the status of Coastal Area Facility Review Act (CAFRA) permits, Federal Consistency Activity permits, Freshwater Wetlands Individual and Statewide General permits, General Groundwater Petroleum Products Cleanup permits, Open Water Fill permits, Solid Waste Facility permits (SWF), Flood Hazard Area (FHA) permits, Tidal Wetlands permits, Waterfront Development permits and Treatment Works Approvals (TWA).

In addition, a calendar of Events of Interest and a Schedule of Public Hearings is provided. The public hearings listed do not, however, constitute an official notice. Environmental Impact Statements acted upon during the period are also shown. Additional information concerning the permit applications can be obtained by calling the project manager at the appropriate office listed on the inside back cover.

Public Hearings are held for the purpose of obtaining input and reaction to a proposed rule, regulation, or new program. Some hearings may be mandated by law. Generally their scope of impact is statewide or of broad general interest and open to the public.

Contested Case Hearings are held between the State and a particular party involving an application, enforcement violation or an appeal. Interest in these hearings is generally limited to those directly involved.

DEP Events of Public Interest include public hearings, council meetings, workshops, public information meetings, and exams.

**NEW JERSEY DEPARTMENT OF ENVIRONMENTAL PROTECTION
NOTICE OF INTENT TO AMEND SETTLEMENT
HIGHLANDS WATER PROTECTION AND PLANNING ACT**

TAKE NOTICE THAT THE DEPARTMENT OF ENVIRONMENTAL PROTECTION, Office of Coastal and Land Use Planning, intends to enter into an Amended Settlement Agreement with Black Oak Golf Course, L.L.C., modifying the terms of a July 2007 Settlement Agreement. Black Oak Golf Course is located on property designated as Block 18, Lots 1.09, 2, 3, 6, 8, 10, 21, 21.04, 27, 27.05, 28, 29, and 29.01 on the tax maps of Washington Township, Morris County, New Jersey. In the July 2007 Settlement Agreement, the Department agreed that Black Oak Golf Course qualified for an exemption from the Highlands Water Protection and Planning Act based on plans consisting of 36 sheets entitled "Plans for Black Oak Golf Club," by Ferriero Engineering, dated November 3, 2000, last revised June 4, 2007, together with conditions included in the proposed settlement, resulting in a major Highlands development that does not require any of the permits from the Department of Environmental Protection listed at N.J.S.A. 13:20-28a.3. Thus, the Department agreed that Black Oak Golf Course was exempt from the Highlands Water Protection and Planning Act based on a December 9, 2002 preliminary major site plan approval for Black Oak Golf Course granted by the Planning Board of the Township of Washington.

In the Amended Settlement Agreement, Black Oak Golf Course would be authorized to construct a larger clubhouse (though still smaller than that allowed under the December 9, 2002 Washington Township approval) in return for reducing the size and number of other buildings and structures so as to achieve a net reduction in the square feet of buildings and paved areas at the golf course. These modifications to the previously approved "Plans for Black Oak Golf Club" are shown on 8 sheets of plans dated July 25, 2012, last revised May 31, 2013, by Ferriero Engineering, Inc. The Department has determined that Black Oak Golf Course may operate under the modifications to the approved plans provided that the modifications do not require Black Oak to obtain a Treatment Works Approval or any other Department permit. Pursuant to these modifications, the wastewater flow limitation in the July 2007 Settlement Agreement would be modified to allow for a maximum flow not to exceed 7999 gpd. Black Oak Golf Course will be required to submit monthly reports to the Department's Office of Coastal and Land Use Planning, by the 15th of the ensuing month demonstrating compliance with this condition based on a daily metering of wastewater flow. In addition, Black Oak will implement an Environmental Management Plan, dated September 9, 2012, revised May 31, 2013 (hereinafter "EMP") that provides a series of environmental benefits on and around the Black Oak Golf Course.

The Amended Settlement Agreement, the EMP, and the modifications to the approved plans may be viewed upon request to Elizabeth Semple, Manager, Office of Coastal and Land Use Planning, P.O. Box 420, 401 East State Street, Mail Code 401-07C, Trenton, New Jersey 08625-0420 or by telephoning (609) 984-0058.

Written comments regarding this settlement must be addressed to Elizabeth Semple, Manager, Office of Coastal and Land Use Planning, P.O. Box 420, 401 East State Street, Mail Code 401-07C, Trenton, New Jersey 08625-0420. Comments must be received within thirty (30) days of publication, which is by October 4, 2013.

**NEW JERSEY DEPARTMENT OF ENVIRONMENTAL PROTECTION
NOTICE OF INTENT TO SETTLE
WATERFRONT DEVELOPMENT INDIVIDUAL PERMIT**

TAKE NOTICE THAT THE DEPARTMENT OF ENVIRONMENTAL PROTECTION has entered into a Settlement Agreement that would authorize, via modification of the existing Waterfront Development Individual Permit, the legalization of the existing L-shaped dock and two freestanding pilings, as well as the installation of a 12' x 14' boatlift and a 5.7' x 10' jet ski lift under the Waterfront Development Act (N.J.S.A 12:5-3). The permit

modification will also remove Special Conditions 1, 3, 8 & 9 as they are no longer applicable. Issuance of the permit modification is subject to comments and a determination that the decision is based on complete and accurate information. The proposed project is shown on the site plan entitled "PLANS TO ACCOMPANY WATERFRONT DEVELOPMENT PERMIT APPLICATION FOR ARNOLD AND ERIKA LINGERTAT AT 506 WEST SHORE DRIVE, BLOCK 7103, LOT 4, BRIGANTINE CITY, ATLANTIC COUNTY, NEW JERSEY", prepared by Robert J. Catalano & Associates, P.A., dated July 9, 2007 and last revised July 6, 2012.

Notice of the final permit decision will appear in the DEP Bulletin under the section entitled Division of Land Use Regulation.
