OFFICE OF POLICY, PLANNING AND SCIENCE  
COASTAL MANAGEMENT OFFICE  
Notice of Administrative Changes  
Coastal Zone Management  
Mainland Coastal Centers  
Appendices 2, 3 and 4

**Take notice** that, pursuant to N.J.A.C. 7:7E-5B.6(d), the Department of Environmental Protection (Department) has amended the Coastal Zone Management rules, N.J.A.C. 7:7E, to reflect that all mainland coastal center boundaries have expired pursuant to N.J.A.C. 7:7E-5B.6(c)2.

Pursuant to the Coastal Zone Management rules, impervious cover limits and vegetative cover percentages in the CAFRA area are based on a site's location in a CAFRA center, core or node, Coastal Planning Area or coastal center, with higher percentages of impervious cover allowed in a coastal or CAFRA center. On February 6, 2006, the Department adopted amendments to the Coastal Zone Management rules that re-established, with conditions, the boundaries of certain coastal centers that expired February 7, 2005 and set forth criteria for re-establishment of other expired coastal centers. These re-established centers were called mainland coastal centers (see 38 N.J.R. 928(c); February 6, 2006). Pursuant to N.J.A.C. 7:7E-5B.6(c)2, all mainland coastal center boundaries expired March 15, 2007. In accordance with N.J.A.C. 7:7E-5B.6(d), the Department is publishing administrative notice that the mainland coastal center boundaries set forth in Appendix 2 of the Coastal Zone Management rules and listed below expired March 15, 2007. The impervious cover limits and vegetative cover percentages of the underlying Coastal Planning Area apply to the area encompassed by the former mainland coastal center boundary.

A. Egg Harbor Township

1. Egg Harbor coastal town
2. West Atlantic City coastal town

II. Cape May County

D. Lakewood coastal regional center

On October 2, 2006, the Department adopted amendments to the Coastal Zone Management rules at N.J.A.C. 7:7E-5B.6(h) that, in limited circumstances, relaxed the impervious cover limits and vegetative cover percentages for proposed development consisting entirely of affordable housing located within a mainland coastal center or an expired coastal center located in a municipality that, prior to October 15, 2005, held a pre-petition meeting with the Office of Smart Growth in accordance with N.J.A.C. 5:85-

7.3 (see 38 N.J.R. 4214(a)). Because N.J.A.C. 7:7E-5B.6(h) requires that a CAFRA permit application be complete for review prior to March 15, 2007 to qualify for the relaxed impervious cover and vegetative cover requirements and the expired mainland coastal center boundaries are not otherwise utilized in the rules, Appendix 4 of the Coastal Zone Management rules, which contains the boundary descriptions of the expired coastal centers, is no longer necessary.

The changes described above will be reflected in the Coastal Zone Management rules at N.J.A.C. 7:7E, Appendices 2 and 4.

In addition, the Department is correcting Appendix 3 to replace reference to “Dover Township” with “Toms River Township” thereby reflecting the current name of the municipality, and to delete a sentence cross-referencing Appendices 2 and 4.

**Full text** of the changed rule follows (additions indicated in boldface **thus**; deletions indicated in brackets [thus]):

## **APPENDIX 2 (Reserved)**

### **[BOUNDARIES OF MAINLAND COASTAL CENTERS IN THE CAFRA AREA**

For purposes of N.J.A.C. 7:7E-5 and 5B, this appendix sets forth the boundaries of mainland coastal centers in the CAFRA area. The areas listed at N.J.A.C. 7:7E-5B.6(e) shall not be considered part of a mainland coastal center, except for the purposes of N.J.A.C. 7:7E-5B.6(f). The boundaries of the non-mainland coastal centers are set forth in Appendix 3 and the expired boundaries of coastal centers are set forth in Appendix 4.

In accordance with N.J.A.C. 7:7E-5.3(c), the impervious cover allowed on a site within a Department-delineated coastal center must be placed on the net land area of the site, as determined under N.J.A.C. 7:7E-5.3(d). The placement of impervious cover on a site in a coastal center may be further restricted by other provisions of this chapter, including the Special Area rules at N.J.A.C. 7:7E-3.

NOTE: THIS IS A COURTESY COPY OF THIS NOTICE. THE OFFICIAL VERSION WILL BE PUBLISHED IN THE MAY 21, 2007 NEW JERSEY REGISTER. SHOULD THERE BE ANY DISCREPANCIES BETWEEN THIS TEXT AND THE OFFICIAL VERSION, THE OFFICIAL VERSION WILL GOVERN.

The Department will update the list of mainland coastal centers in this appendix by notice of administrative change in the New Jersey Register in accordance with N.J.A.C. 7:7E-5B.6(d). The appendix is organized as follows: Counties are listed alphabetically. Within each county, the municipalities are listed alphabetically. Within each municipality, the mainland coastal centers are listed alphabetically.

Maps of the mainland coastal centers, for illustration only, may be reviewed at the Department, 401 East State Street, Trenton, New Jersey, (609) 292-1143. In case of any discrepancy between the maps and this text, this text shall govern. Note: When a point is described as being a certain distance from a particular street or railroad right-of-way, that distance is measured from the centerline of the right-of-way of such street or railroad unless otherwise specified. Coastal wetlands maps referenced are listed at N.J.A.C. 7:7-2.2(c) and are available from the Department at the Maps and Publications office, 428 East State Street, PO Box 438, Trenton, New Jersey, (609) 777-1308.
