MAR 06 2020

Dear Mr. Sheehan:

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a proposed amendment to the Burlington County District Solid Waste Management Plan (County Plan) dated February 14, 2020. This amendment to the County Plan proposes County Plan inclusion to correct the block number of the Hainesport Industrial Railroad Solid Waste Transfer Station/Material Recovery Facility (Hainesport Railroad) from Block 14 to Block 104. The above noted change in the block number will not result in any operational changes with the onsite transfer station/material recovery facility operation.

Pursuant to N.J.A.C. 7:26-6.11(b)14, the inclusion to correct the block number of an existing recycling facility can be accomplished via an administrative action. Therefore, this request to correct the block number of the Hainesport Railroad is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this matter, please contact Joanne McClendon of my staff at (609) 292-2125 or email at [joanne.mcclendon@dep.nj.gov](mailto:joanne.mcclendon@dep.nj.gov).

Sincerely,

Edward A. Nieliwocki, Contract Administrator 3
